Unpaid and insufficiently paid letters.

2. A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

Dimensions.

3. No letter may be above 18 inches in length, 9 inches in width, or 6 inches in depth, unless it be sent to or from one of the Government Offices.

NEWSPAPERS.

Newspapers must be registered.

1. Under the "Post Office Act, 1870," any publication fulfilling the conditions hereafter named can, upon payment of an annual fee of 5*s.*, be registered at the General Post Office to pass within the United Kingdom as a Newspaper for a postage of one halfpenny. Without such registration a Newspaper cannot be sent through the post at less than the book rate of postage.

* Inland letters are those which pass between places in the United Kingdom, including the Isle of Man, the Orkney, Shetland, Scilly, and Channel Islands.

The conditions are as follows :—

Definition of a newspaper.

1st. The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.

2nd. It must be printed and published in the United Kingdom; and must be published in numbers at intervals of not more than seven days.

3rd. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to "Tables of Contents," and "Indices."

Definition of Supplement.

4th. A Supplement must consist wholly or in great part of matter like that of a Newspaper, or of advertisements, printed on a sheet or sheets, or on a piece or pieces of paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the Newspaper. The Supplement must in every case be published with the Newspaper, and must have the title and date of publication of the Newspaper printed at the top of every page; or, if it consists of engravings, prints, or lithographs, at the top of every sheet or side.

Inland registration includes registration for abroad.

3. Registration for inland circulation includes registration for transmission abroad.

Rates.

4. For each inland Newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered Newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight, viz., one halfpenny for every 2 oz. or part of that weight.

Unpaid or insufficiently paid.

5. A Newspaper posted unpaid, or a packet of Newspapers posted either unpaid or insufficiently paid, is treated as an unpaid or insufficiently paid book packet of the same weight.

Prepayment

6. The postage must be prepaid either by an adhesive stamp, or by the use of a stamped wrapper.

Fresh postage for each transmission.

7. No Newspaper can be sent through the post a second time for the original postage. For each transmission a fresh postage is required.

Cover must be open at both ends.

8. Every Newspaper must be posted either without a cover, or in a cover entirely open at both ends, so as to admit of easy removal for examination.* A Newspaper must not be fastened in its cover by means of gum, sealing wax, postage stamp, or otherwise. If this rule be infringed, the Newspaper is treated as a letter.

How folded.

9. Every Newspaper must be so folded as to admit of the title being readily seen.

Enclosures.

10. A Newspaper or packet of Newspapers which contains any enclosure (except Supplements) is charged as a letter, unless the enclosure be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet, in which case it is allowed to pass.

Anything of the nature of letter forbidden.

11. A Newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, is charged as an unpaid or insufficiently paid letter.

Weight and dimensions.

12. No packet of Newspapers may be above 14 lbs. in weight, two feet in length, one foot in width, or one in depth.

* In order that no failure may occur in the delivery of newspapers through the covers becoming detached, it is recommended that the addresses be written on exposed parts of the newspapers themselves as well as on the covers.

BOOK POST.

Postage. 1. The postage is one halfpenny for every 2 oz. or part of that weight.

2. A packet posted wholly unpaid is charged with double the book postage and if posted partially prepaid, with double the deficiency.

What a book packet may contain. 3. A book-packet may contain any number of separate books or other publications, photographs (when not on glass or in cases containing glass or any like substance), drawings, prints, or maps, and any quantity of paper, or any other substance in ordinary use for writing or printing upon; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof is allowed, whether such binding, &c. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, pens or pencils in the case of pocket-books, &c., and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, &c. must not be sent as a separate packet.

Circulars. *Circulars,—i.e.*, letters which, from internal evidence, appear to be intended for transmission in identical terms to several persons, and the whole or the greater part of which is produced by means of ordinary type, engraving, lithography, or any other mechanical process—may also be sent by book post.

4. But a book-packet may not contain any letter, or communication of the nature of a letter* (whether separate or otherwise), unless it be a circular-letter; nor any enclosure sealed or in any way closed against inspection; nor any other enclosure not allowed by Rule 3. If this rule be infringed, the entire packet is charged as a letter.†

Must be open at both ends; but may be tied with string. 5. A book-packet may be posted either without a cover (in which case it must not be fastened, whether by means of gum, wafer, sealing wax, postage stamp, or otherwise), or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination;‡ otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with string; Postmasters being authorised to cut the string in such cases, although if they do so they must again tie up the packet.

Weight and dimensions. 6. No book-packet may be above 5 lbs. in weight, nor above one foot six inches in length, nine inches in width, or six inches in depth, unless it be sent to or from one of the Government offices.

May be kept back. 7. When, owing to a great and unusual influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book-packets may be kept back till the next despatch or delivery.

---

* Entries merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

† It is the duty of Postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book-packets posted at, or passing through their office.

‡ In order to secure the return of book-packets which cannot be delivered, the names and addresses of the senders should be printed or written *outside*; thus, "From ———— of ————."

It will be seen from the foregoing rules, that there is no legal way of sending a letter, other than a Circular Letter, through the post for a postage of a halfpenny, except by means of a Post Card.

It must not be supposed that, because a Post Card, which is open to inspection, may have a letter written or printed upon it, any card whatever, and even any piece of paper, if only it be placed in an open wrapper, may be sent through the post with a letter written or printed upon it for a postage of a halfpenny. Abuse of the Book Post.

It is well, therefore, to explain, for the guidance of the public—

1. That the letter-rate of postage must be prepaid for any communication of the nature of a letter, whether it be placed in a closed envelope or in an open cover, unless a Post Card be used for the purpose, or unless the letter be a "circular letter,"—*i.e.*, a letter having internal evidence that it is intended for transmission, in identical terms, to several persons, and the whole or greater part of which is produced by means of ordinary type, engraving, lithography, or any other mechanical process.
2. That cards having merely a halfpenny adhesive stamp affixed to them must not bear any communication of the nature of a letter, unless it be a "circular letter."

Large numbers of letters, not being circular letters, are from time to time found in halfpenny wrappers, contrary to the express provisions of the book post; and, as the officers of the department are instructed to surcharge all such letters with additional postage, it will save not only trouble to the Post Office but annoyance to the public, if care be taken always to pay letter postage for letters other than circular letters, unless they be written or printed on Post Cards.

POST CARDS.

1. Official Post Cards impressed, or private Post Cards embossed, with a halfpenny stamp (adhesive stamps not being accepted in payment of the postage) may be transmitted between places in the United Kingdom with letters printed or written upon the back. Post

2. The front (or stamped) side is for the address only, in addition to the printed words "Post Card" and "The address only to be written on this side." There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any one of these rules be infringed, the card will be charged 1*d*. on delivery. Nothing to be written on front. Must not be cut, &c.

3. When, owing to a great and unusual influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, Post Cards (unless paid for and posted as late letters) may be kept back until the next despatch or delivery. May be kept back.

4. No card other than one of those issued by the Government, or a private card embossed with a halfpenny stamp at the Office of Inland Revenue, Somerset House, or at the Stamp Offices at Liverpool and Newcastle-on-Tyne, will pass under a halfpenny stamp, if it bear on it a communication of the nature of a letter (unless it be a circular letter as defined at page 4). Stamp to be impressed.

For information as to the conditions under which private cards are embossed with a halfpenny stamp, application must be made to the Office of Inland Revenue. Private cards.

EXCEPTIONAL RATES OF POSTAGE.

ADDRESSES TO THE QUEEN AND PETITIONS TO PARLIAMENT.

Exemptions from postage.

1. Petitions and Addresses to Her Majesty, forwarded direct, are exempt from postage; and such Petitions and Addresses, as also Petitions to either House of Parliament, if sent to a Member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are either without covers or are in covers open at the ends. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

No limit of size.

2. The restriction laid down as to the size of letters does not apply to Petitions or Addresses to the Queen, whether directed to Her Majesty, or forwarded to any Member of either House of Parliament; nor to Petitions to either House of Parliament, forwarded to any Member of either House.

PARLIAMENTARY PROCEEDINGS.

Rate of postage.

1. Printed Votes or Proceedings of the Imperial Parliament, sent without covers or in covers open at the ends, may circulate within the United Kingdom at the rate of one halfpenny for every 2 oz. or part of that weight.

2. The words "Parliamentary Proceedings" must be written or printed on the cover of the packet; otherwise it will be treated as an ordinary book packet.

Prepayment optional.

3. Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only will be charged.

Parliamentary Proceedings, &c sent abroad.

4. Parliamentary Proceedings may be sent, under the Book Post privilege, to all the Colonies, and to those Foreign States between which and this country there is a book post.

No limit of size.

5. The limit of size prescribed for ordinary book packets does not apply to printed Parliamentary Proceedings.

PARLIAMENTARY NOTICES.

Parliamentary Notices may be forwarded through the post under the following regulations:—

Mode for address.

1. The words "Parliamentary Notice" must be legibly printed on the face of the letter; and in order to secure the speedy return of any Notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.

2. These Notices may be posted at any Post Office in the United Kingdom at which Money Order business is transacted. Where to be posted.

3. All Notices which by the standing orders of either House of Parliament are required to be served on or before the 15th December must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; and those notices which, by the same orders, may be served after the 15th, must be posted not later than the 18th of December, unless the 18th falls on a Sunday, when they must be posted not later than the 17th. Dates of posting.

4. The postage chargeable on these Notices, and the registration fee of sixpence on each, must be prepaid by stamps. Must be prepaid and registered.

5. The Notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses, the Notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London. Must be accompanied with lists in duplicate.

6. The hours for receiving such Notices are the same as those for the registration of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the Postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the Notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Hours of posting.

7. Re-directed Parliamentary Notices are, like letters, liable to an additional rate of postage. Re-directed notices.

8. The senders of Parliamentary Notices should, if possible, arrange on the previous day, with the Postmaster, as to the most convenient time for posting them, and state the probable number. Arrangements with Postmaster.

NOTICES RELATING TO VOTING FOR MEMBERS OF PARLIAMENT, PARLIAMENTARY AND MUNICIPAL REGISTRATION, BALLOT PAPERS, AND JURY SUMMONSES.

1. Notices relating to votes for Members of Parliament, and to Parliamentary and Municipal Registration, belonging to any of the classes enumerated in the Acts 6 Vict. c. 18., 13 & 14 Vict. c. 69. and 41 & 42 Vict. c. 26., can also be sent through the post (with the securities for their safe delivery enjoined by the Acts) on prepayment, in stamps, of the postage at the letter rate —whether Inland or Foreign, as the case may be—and of a registration fee of twopence, provided they be presented, duly directed, open and in duplicate to the Postmaster of an office which is also a Money Order Office.* On receiving the notices, the Postmaster will compare each with its duplicate, and if the two agree, the latter will be stamped and returned to the bearer. The notices must be presented at least half an hour before the fixed times for posting ordinary letters. Notices to voters. Postage and registration fee must be prepaid.

* The posting of these Notices and of Jury Summonses is confined strictly to Post Offices where Money Order business is transacted; consequently, whenever such business is suspended at any office none of these notices can there be received.

Where and how to be posted. 2. The production by the person who posted a notice of the stamped duplicate is evidence of the notice having been given to the person at the place mentioned, on the day on which such notice would, in the ordinary course of post, have been delivered there.

Re-directed notices. 3. They are liable to the usual charge for re-direction.

Ballot papers. 4. When Ballot-papers are presented by any Returning Officer to be forwarded by post, the Postmaster is required to give to such officer an acknowledgment in writing of his having received them, stating the time of receipt.

Prepayment optional. 5. The prepayment of the postage on Ballot-papers is optional.

Jury Summonses. 6. Jury Summonses may, in England and Wales, be sent through the post under the following regulations:—

1st. They must bear the words "Jury Summons" on the same side as the address.

Fee of 2*d*. and postage to be prepaid. 2nd. The postage, *at the letter rate*, together with a fee of 2*d*. for each summons, must be prepaid in postage stamps.

Where and how to be posted. 3rd. They must be posted at those Offices only which are Money Order Offices, and each must be accompanied with a duplicate endorsed with the name and address of the person to whom the original summons is directed. On receiving them the Postmaster compares their addresses with those of the duplicates, and on being satisfied that they are alike, he forwards the originals in the usual course of post (but not as registered letters), returning the duplicates to the person who brought them, duly marked with the Stamp of the Office.

Hours at which posted. 4th. These Summonses are received within such hours as may be previously agreed upon between the Sheriff or other proper Officer and the Postmaster, and which must be so arranged as not to interfere with the current duties of the Office.

REGULATIONS AS TO PREPAYMENT, REGISTRATION, &c.

MODES OF PREPAYMENT.

Inland letters, &c. must be prepaid in stamps. The prepayment of Inland letters, newspapers, and book-packets can only be effected by means of postage stamps:—

Exception. Except that at the Chief and District Post Offices and at the Charing Cross, Gracechurch Street, Lombard Street, and Mark Lane Post Offices in London, as well as at the Head Offices in Edinburgh, Dublin, Manchester, Liverpool, Birmingham, Glasgow, and Belfast, *Inland letters and book-packets* may be prepaid in money, provided the amount paid be never less than 1*l*. in London, Edinburgh, or Dublin, or less than 5*l*. in Manchester, Liverpool, Birmingham, Glasgow, or Belfast, and that the letters and book-packets be tied in bundles representing a postage of 5*s*. each, with the addresses arranged in the same direction. The prepayment, however, cannot be made partly in money and partly with stamps.

At the District Post Offices, and at the Charing Cross, Gracechurch Street, Lombard Street, and Mark Lane Post Offices in London, letters and book-packets must be presented at the counter between 10 A.M. and 3.30 P.M., and at the Chief Office between 10 A.M. and 4 P.M.

REGISTRATION.

1. The fee for registering a letter, newspaper, book-packet, or other article, passing through the post between any two places in the United Kingdom* is twopence. Fee for inland registration.

2. No article addressed to initials or to a fictitious name can be registered. The prohibition, however, does not extend to articles addressed to the care of a person or firm. Initials, &c. not allowed.

3. Every article presented for registration must be enclosed in a strong cover, securely fastened. If the article contains money, it must, in order to gain the benefit of the guarantee described at par. 9, be enclosed in a Registered Letter Envelope sold by the Post Office; and if coins are sent, they must on no account be put in loose, but must be packed and enclosed in such a way as to move about as little as possible. Contents must be secured.

4. Registered articles must be prepaid as regards both postage and registration fee; except official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only. Prepayment compulsory.

5. Every article to be registered must be given to an agent of the Post Office, and a receipt obtained for it; and it should on no account be dropped into a letter-box. If, contrary to this rule, an article marked "Registered" be dropped into a letter-box, it will, *if directed to any place in the United Kingdom*, be liable to a registration fee of 8*d*., instead of the ordinary fee of 2*d*. How to register.

6. At all Post Offices the latest time for posting registered articles on payment of the ordinary fee is shown on the Notice exhibited in the Post Office window. Usually this time is fixed at half an hour before the closing of the Letter Box; but at all Provincial Head Offices and at the Chief Offices in Edinburgh and Dublin, articles bearing a late fee of fourpence, in addition to the ordinary registration fee, may be registered at any time within the half hour, until the letter-box is closed, if the office is open to the public so long. For particulars of time of posting registered articles at the Chief Office in London, at the District Offices, and at the Branch Offices in Lombard Street, Gracechurch Street, Mark Lane, Ludgate Circus, and Charing Cross, *see* page 105. Latest time for registering.

7. When several letters are sent by the same person for registration they should be accompanied with a list (in duplicate) of the addresses; one list to be retained at the Post Office, and the other, when signed, to be returned by the bearer. This practice (which is adopted by many bankers) saves time both to the public and to the Department. Registered letters to be accompanied by list in duplicate.

8. The registration of articles makes their transmission much more secure, inasmuch as they can be traced through their whole course. Thus the loss of a registered article is a rare occurrence. Nevertheless large sums of money or other articles of great value should not be sent through the post, even if registered; as the machinery of the Department is not arranged with a view to such transmissions. If sent *unregistered*, valuable articles are exposed to risk, and offer a temptation which ought not to be afforded. Security from registration.

---

* For regulations as to registration of letters, &c. for abroad, *see* p. 201.

Treatment of inland letters containing coin, jewellery, &c.

Inland letters or packets which contain coin, watches, or jewellery, if posted without registration, are nevertheless treated as registered, and charged on delivery with a registration fee of eightpence in addition to the ordinary postage; and any such letters or packets which cannot be registered in time to be forwarded by the Mail for which they are posted, are detained for the next despatch.

9. By law the Postmaster General is not responsible for the safe delivery of registered articles; but henceforth he will be prepared to make good the contents of a registered article lost while passing through the Post *to the extent of* 2*l.* in certain cases, provided—

Conditions under which Post Office may make good contents of a registered letter lost in the Post.

(*a.*) That the sender duly observed all the conditions of registration required;

(*b.*) That the article was securely enclosed in a reasonably strong cover; and, if it contained money, that it was enclosed in one of the Registered Letter Envelopes sold by the Post Office for the purpose;

(*c.*) That application was made to the Secretary of the Post Office immediately the loss was discovered;

[When the complaint is that the contents of a letter or packet have been abstracted, the envelope must accompany the application, otherwise the question will not be entertained.]

(*d.*) That the Postmaster General, whose decision shall be final, is satisfied that the loss occurred while the article was in the custody of the British Post Office, and was not caused by any fault on the part of the sender.

[The word "loss" here does not include damage to an article which in fact reaches its destination, or destruction by fire or shipwreck, or by the dishonesty or negligence of any person not in the employment of the Post Office.]

Registration of letters by town letter carriers and rural post messengers.

10. No Town letter-carrier is allowed to take a letter to be registered; but for the convenience of persons living in country places where no Post Office is near, letters will be registered by Rural letter carriers, who will take letters for registration on their outward and inward walks, whenever it is practicable for them to do so.

RE-DIRECTION.

Re-directed letters, &c. liable to a second postage.

1. Every inland re-directed letter, post-card, or other postal packet is liable to an additional postage (at the prepaid rate) for each re-direction, unless both the original and the second address be within the delivery of the same Post Office, or Sub-Office, or Rural walk, and the re-direction be made by an Officer of the Post Office.* Thus, on a paid or unpaid letter not exceeding 1 oz. in weight, re-directed, either by an Officer of the Post Office, or by any one else, to a different delivery, an additional postage is levied of one penny; and if the weight be more than 1 oz., but less than 2 oz., of three halfpence, and so on.

Exception.—No charge for re-direction is made on Government letters.

Registered letters.

2. An inland registered letter, when re-directed to any place within the United Kingdom, is only liable to the same additional charge as an ordinary letter.

3. If an inland registered letter, when re-directed, instead of being taken back to the Post Office to be dealt with as a registered letter, is dropped into the letter box as an ordinary letter (the word "registered" not having been erased, or having been erased in pencil only), it becomes liable to the same treatment as any other letter which is marked registered and found in the letter box; and must be surcharged with a registration fee of 8*d.* minus the value of any stamps already affixed for the registration.

---

* For purposes of re-direction the whole of the London District is at present regarded as within the same official delivery.

4. **Notices of removal, and Applications for letters to be re-directed,** must in all cases be duly signed by the persons to whom the letters are addressed, and in provincial towns they must be sent to the local Postmaster. In London printed forms of notice can be obtained at any Head District or Branch Office, or from the Letter Carrier of the walk; and when filled up and signed, they should be given to the Postmaster of the district or to the Letter Carrier; but owing to the frequent removals which take place in the Metropolitan district, it is desirable, for the prevention of mistakes, that persons who are about to change their residence should inform their correspondents beforehand of their intention, so that their letters may be directed in the first instance to their new address. Notices removal.

5. A Postmaster is not bound to re-direct letters for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited. Postmaster not always bound to re-direct.

6. Letters addressed to *non-commissioned officers, schoolmasters in the army* (*of all but the first class*), *schoolmistresses in the army, private soldiers, and schoolmasters and seamen in the navy,* re-directed from one part of the United Kingdom to another, or from the United Kingdom to a place abroad (when the removal is on Service), provided the original postage is prepaid and the letters do not exceed half an ounce in weight, will be delivered to them without any charge for re-direction.

DELIVERY.

1. All Letter Carriers are prohibited from distributing any letters, newspapers, &c., except such as have passed through a Post Office, whether before beginning their rounds, whilst on their rounds, or after they have completed them. Nor are they allowed to receive any payment beyond the postage for the delivery or collection of any letter, &c.; nor to deviate from the route laid down for them. The prohibition from receiving payment in addition to the postage does not, however, extend to Christmas boxes. What letters, &c. must not be delivered. No extra payment allowed except Christmas Boxes.

2. No person living within a Town free delivery, or within the limits of a Rural Post free delivery, unless he rent a private box, can claim to have his letters delivered at the office window if a delivery by Letter Carrier or a despatch by messenger is about to take place; but letters which arrive by a mail after which there is no immediate delivery by Letter Carrier, may be obtained by any person on application at the office window, so long as the office is open for delivery. Delivery at window.

3. In order to prevent the additional trouble which is sometimes caused by letters being directed to a Post Office for persons who reside within a free delivery from such office, but who have no private box, a Postmaster is authorised, when such letters arrive by a mail for which there is a delivery from house to house, to refuse to deliver them at the window, and to send them out by the Letter Carriers; except such as are addressed to the military in barracks.

4. No person can have a Private Box unless he is willing to pay the appointed fee. At the larger Post Offices, where the fees go to the Revenue, the amount varies from 3*l.* to one guinea a year; at the smaller offices, where the fees are the perquisite of the Postmaster, the amount is one guinea a year. The charge for a Private Bag is usually one guinea a year, in addition to which, there may be a charge for conveyance, the maximum of the latter being half a guinea per annum, if the bag be conveyed by a rural letter carrier, and two guineas if by a contractor either for a mail cart or for a horse post, not being a regular servant of the Department. If more than one rural letter carrier or more than one contractor take part in the conveyance of a private letter bag, each is allowed to charge the full amount of the fee for his service. The Post Office does not supply the Bag; but it must be provided with a sling, and Private boxes and bags in the country.

when empty must not weigh more than one pound. As private bags may possibly hinder the general service, none are allowed without the permission of the Surveyor. If a private letter bag made up at one Post Office be left at another to be called for or to be delivered from thence, the Postmaster at such other office may make a charge for his trouble; which charge is usually 5*s.* per annum. Any person residing within the limits of a town free delivery, and renting a private letter bag, is considered to have the accommodation of a private box at the Post Office as well as a bag, and is liable to the full charge for both box and bag. A box or bag must be taken for a period of not less than one year; and all the fees are payable in advance.

STAMPS (POSTAGE, TELEGRAPH, AND INLAND REVENUE).

Postage, telegraph, and Inland Revenue stamps.

At every Money Order Office the Postmaster is required to keep, for sale to the public, a sufficient stock of the different postage stamps in use;—envelopes with an embossed penny postage stamp;—registered letter envelopes;—newspaper wrappers with impressed halfpenny and penny postage stamps;—Inland and Foreign Post Cards;—as also a stock of ½*d.*, 1*d.*, 3*d.*, and 1*s.* Telegraph Stamps. The Postmaster is, moreover, bound, on application, to procure (if not already in stock) Telegraph stamps of other values; a detailed list of which will be found at page 252. **Postage Stamps** are of the respective values of ½*d.*, 1*d.*,* 1½*d.*, 2*d.*, 2½*d.*, 3*d.*, 4*d.*, 5*d.*, 6*d.*, 1*s.*, and 5*s.* The embossed postage **Envelopes** are of four sizes, viz., A. 4¾ × 3 11/16 ins. (square shape, white), B. 5¼. × 3⅜ ins. (blue), C. 5¼ × 3 (white), and D. 4¾ × 2¾ (white), and are sold at the following prices:—

A. (Square shape, white.)						B, C, and D Sizes.					
1	-	1¼*d.*	6	-	0*s.* 7*d.*	1	-	1¼*d.*	6	-	0*s.* 6½*d.*
2	-	2½*d.*	8	-	0*s.* 9½*d.*	2	-	2¼*d.*	8	-	0*s.* 8¾*d.*
3	-	3½*d.*	12	-	1*s.* 2*d.*	3	-	3¼*d.*	12	-	1*s.* 1*d.*
4	-	4¾*d.*	24	-	2*s.* 4*d.*	4	-	4⅛*d.*	24	-	2*s.* 2*d.*

Registered letter envelopes.

Registered Letter Envelopes, bearing a twopenny stamp embossed on the flap for the payment of the registration fee, are of five sizes, and are sold at the following prices:—

Size.	*Price.*
F.—5¼ ins. × 3¼ ins. - - -	2¼*d.* each, or
G.—6 ins. × 3¾ ins. - - -	2*s.* 2½*d.* per packet of 12.
H.—8 ins. × 5 ins. - - -	2¾*d.* each, or 2*s.* 7*d.* per packet of 12.
I.—10 ins. × 7½ ins. - - -	3*d.* each, or
K.—11½ ins. × 6 ins. - - -	2*s.* 10*d.* per packet of 12.

Where to affix the stamps.

Stamps should be placed on the front, that is, on the address side of the letter, and in the right hand upper corner. On re-directed letters care should be taken not to place fresh stamps over those which have been previously used.

How to affix them.

In affixing the stamps, the corner of the envelope and the gummed side of the stamp should be slightly wetted, and then the stamp should be gently pressed till it is firmly fixed. The practice of dipping the stamp in water is objectionable; because, unless the stamp be immediately withdrawn, and care be taken, by the use of blotting paper or some other absorbent, to remove any excess of moisture, the gum may be washed off, or the stamp may be rubbed off the letter. By the use of envelopes bearing an *embossed* stamp (which can be obtained at any Post Office) all risk of the stamp being detached may be avoided.

* The new penny stamp is designed as a Postage and Inland Revenue Stamp Combined, and is available either for postage or receipt purposes.

At Post Offices which are not Money Order Offices Sub-Postmasters are required to keep halfpenny and penny stamps, (the latter available for either postage or receipt purposes.) Post Cards, and Registered Letter Envelopes only; but they are bound, on application, to procure postage stamps of other values, embossed postage envelopes, newspaper wrappers, and telegraph stamps

Inland Revenue stamps.

Impressed Bill Stamps of the respective values of 1*d.*, 2*d.*, 3*d.*, 6*d.*, 9*d.*, and 1*s.*, and 6*d.* adhesive stamps (for agreements, contracts, &c.) are sold at all London Receiving Offices

Civil Service and Judicature Fee Stamps are sold at all Head Post Offices in England. They can also be obtained through any Post Office in Ireland or Scotland.

Other classes of Inland Revenue Stamps are sold at many of the larger Post Offices, and Postmasters can obtain any description of Inland Revenue Stamp for which there is a demand.

Rural Messengers may sell Postage Stamps.

Every Rural Messenger is authorised to sell penny postage stamps and Registered Letter Envelopes; and when any person applies to him for postage stamps the Messenger must either supply them, or (if he have none in his possession) must, without extra charge, receive the postage in money, and on his arrival at the Post Office, obtain postage stamps for the amount, and affix them carefully to the letters.

Stamps which cannot be used for postage.

Payment of postage cannot be made by means of postage stamps which have been torn, cut, or otherwise rendered imperfect; or of embossed, or impressed, stamps cut out from the envelopes, cards, or wrappers, on which such stamps were embossed or impressed (even although the stamps have not been before used or sent by post), or of telegraph stamps.

Spoilt stamps.

Applications for allowance on spoilt postage stamps, embossed envelopes, post cards, or newspaper wrappers, which have not passed through the post, should be made to the office of Inland Revenue, Somerset House, London, or if in the country, to the Distributors of Stamps for the District. Such applications, however, can only be entertained if the stamps or other articles have been spoilt or become useless within the period of six months preceding the date of application. In the case of envelopes, cards, or wrappers, the applications must be accompanied by these articles intact; as no allowance can be granted on the embossed, or impressed, stamps if cut therefrom.

Postage stamps purchased from public.

All Postmasters in the United Kingdom at whose Offices Money Order business is transacted, and all Letter Receivers in the London District, are permitted, though not compelled, to purchase postage stamps from the public (provided the stamps be not soiled or otherwise damaged), at a charge of 2½ per cent.; the charge, however, never being less than one halfpenny. Under this arrangement the payments are as follows:—

For stamps not exceeding 1*s*. 8*d*. in value, the full price minus ½*d*.
„ above 1*s*. 8*d*., but not exceeding 3*s*. 4*d*., the full price minus 1*d*.
„ „ 3*s*. 4*d*., „ „ 5*s*., „ „ 1½*d*.
„ „ 5*s*., „ „ 6*s*. 8*d*., „ „ 2*d*.
„ „ 6*s*. 8*d*., „ „ 8*s*. 4*d*., „ „ 2½*d*. and so on.

In order to prevent the temptation to steal stamps attached to letters, which might be afforded by facilities for selling them, single stamps cannot be purchased. They must in all cases be presented in strips of not less than two.

Safeguard against theft.

In consequence of representations made to the Post Office by various Firms that there is reason to believe that their postage stamps were purloined by persons in their employ, the Department has recommended that the initials of Firms, &c. be perforated through the stamps by means of a machine devised for the purpose; so that, the sale of such stamps being thereby rendered difficult (Postmasters having been instructed not to purchase any of them) there may be little or no temptation to steal them. The perforation of the stamps on post cards, newspaper wrappers, and embossed envelopes with initials is also not objected to.

Paper may be impressed with postage stamps.

Paper taken by the public to the Inland Revenue Office can be impressed with postage stamps under conditions which may be learnt on application at that office

ARTICLES NOT ALLOWED TO BE SENT BY POST.

1. It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will be stopped and sent up to the Returned Letter Office, London. Nothing indecent or libellous may be sent.

2. Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag, or to do bodily harm to any officer of the Post Office. If such a packet be posted without the Postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Secretary The following are examples of the articles referred to: Nothing injurious may be sent

A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, vegetables, or anything of a greasy or oily nature; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion; razors, scissors, forks, or other sharp instruments are also forbidden, except when sent in packets of samples to foreign countries on the conditions mentioned in Rule 7, page 199.

MISCELLANEOUS REGULATIONS AND SUGGESTIONS.

1. The Post Office is not, by law, responsible for any loss or inconvenience which may arise from the non-delivery, mis-sending, or mis-delivery of any letter, book, or other postal packet (even if the packet be registered, *see* page 10); nor is the Post Office responsible for any injury which a packet may sustain during its transmission. Post Office not responsible for losses through failure, &c. nor for injuries to books, &c.

2. To guard against such injury all postal packets which are likely to suffer from stamping or from great pressure should be placed in strong covers; and even with this precaution no fragile article should be sent through the Post. It should be remembered that every packet has to be handled several times; that it is exposed to considerable pressure and friction in the mail bag; and that, whenever the bag has in the course of its transmission to be transferred by means of the railway apparatus, the risk of injury is much increased. Packets should be well guarded.

3. No information can be given respecting letters which pass through a Post Office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public. A Postmaster may, however, give an address if he has no reason to believe that the person whose address it is would disapprove of his doing so. Official information.

4. Provision having been made, by means of the Post Office Guide (with local Guides in large towns), to supply full and authentic information on all postal matters, the public should abstain, as much as possible, from applying to Postmasters and other officers of the department; but where application is necessary it should be in writing and addressed to the Secretary of the Post Office, as Postmasters are not required to correspond with the public on official matters. For any error in a reply to a *verbal* application the Department does not hold itself responsible. Applications for postal information. Post Office not responsible for error in *verbal* replies.

5. Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon. Letters when once posted cannot be returned.

6. Postmasters are not bound to give change nor are they authorised to demand change; and when money is paid at a Post Office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter. Change and bad money.

Postmasters not bound to weigh letters.

7. Postmasters are not bound to weigh any letters or other packets for the public, but they *may* do so if their duty be not thereby impeded.

Attempted deception as to place of posting.

8. If a letter be forwarded under cover to any Postmaster with a request that he will re-post it at his office, the letter, on being re-posted, will be endorsed with the words "posted at ———, under cover, to the Postmaster " of ———."

Addresses should be legible and complete.

9. Every address should be legible and complete. When a letter is sent to a Post Town the last word in the address should be the name of that town, except when the town is but little known, or when there are two Post Towns of the same name, or when the name of the town is identical with or very like the name of some foreign town or country. In such cases the name of the county should be added. Thus, the last part of the address of a letter to Newport in Monmouthshire should be—

"Newport,
Monmouthshire."

Name of Town Post or county should be given.

10. When a letter is sent to a place where there is only a Sub-office, the name of the Head Office should be given, unless the office is either a Railway Sub-office or one of the Sub-offices referred to at par. 3, page 21. (For the mode of address in such cases, see the paragraph quoted.) Letters posted in one part of the United Kingdom and intended for another (as, for example, letters posted in England and intended for Scotland) should have the name of the country to which they are sent added to the address, unless the letters be intended for either London, Edinburgh, Dublin, or other very large towns, when such addition is unnecessary.

Number of house.

11. The number, too, of the house should appear; its omission being a cause of delay in the sorting; and tending to retard the general delivery. In the case of letters for places abroad the name of the *country* as well as the town should be given, in full, and should be the last word in the address. Attention to this latter precaution will often assist in deciphering the name of a town, and prevent the letter from being mis-sent when there are towns of the same name in different countries. For example: a letter intended for London in Western Canada, but simply addressed "London, W.C.," would be forwarded to the Western Central District of the Metropolis in England.

Name of foreign country.

Letters addressed "London" only.

12. Letters for well-known firms and persons in London are sometimes addressed "London" only; but this practice often causes delay in their delivery. Letters for strangers or for persons whose address is not known at the Chief Office, simply addressed "London," (and not "Post Office," or "Poste Restante, London,") *are not delivered from the Poste Restante*, but are sent to the Returned Letter Office.

Letters to be called for at Provincial Offices.

13. A letter addressed to a Post Office to be called for is retained one month; and, if not called for by the end of that time, is sent to the Returned Letter Office to go back to the writer. But if the letter be addressed to a Post Office at a seaport town for a person on board a ship, expected to arrive at that port, it is kept two months.

(For the rules relating to letters addressed to Post Offices in London, *see* page 98.)

Letters addressed to initials, &c. at Provincial Post Offices.

14. Letters addressed to initials or to fictitious names at Provincial Post Offices are not taken in, but are sent at once to the Returned Letter Office.

Letters to be called for at clubs, hotels, &c.

15. All letters addressed to Club Houses, hotels, and other places where letters are received to be called for, should be returned to the Post Office as soon as it has become evident that they will not be called for. In the London District such letters should, under ordinary circumstances, be returned to the Letter Carriers within a month of their delivery.

Letters should contain full address of writer.

16. Every letter should contain the full address of the writer, in order to ensure its return if the person to whom it is directed cannot be found. A much larger portion of the undelivered letters could be returned if the names and addresses of the senders were always either fully and plainly written inside or embossed on the envelopes.

17. In London and in many of the large provincial towns, ordinary letters which, for any reason, cannot be delivered, are returned at once to the senders, unopened, provided the sender's name appears on the cover.

Treatment of undelivered letters.

18. In the country, when an inland letter is refused, it is retained by the Postmaster for one day before being sent to the Returned Letter Office; unless the refusal be conditional, in which case the letter is kept for three days, as are all Foreign or Colonial letters when refused, and letters, whether inland or foreign, addressed to persons not known, or gone away. But when the reason for the non-delivery of a letter, &c. is that the person to whom it is addressed is dead, the letter is sent, as soon as practicable, to the Returned Letter Office; as are all letters intended for ships which have sailed before the arrival of such letters at the port of departure.

19. On reaching the Returned Letter Office, a letter originating in the United Kingdom is at once opened, and if found to contain the writer's address is returned to him. If it does not contain either the writer's address or an article of value, the letter is destroyed. Any letter or packet which, on being opened, is found to contain value is, for its safety, recorded and returned registered and, unless registered at the time of posting, the registration fee of 2*d.* is charged on the sender. After being retained for periods varying from one week to two months, Foreign and Colonial letters are, with few exceptions, returned (unopened) to the country from which they were received.

How disposed of in Returned Letter Office.

20. To facilitate the delivery of letters, a Letter-box should be affixed to every house-door.

Letter-boxes should be provided.

21. All letters, &c. should be posted as early in the day as practicable, especially when sent in large numbers, as is frequently the case with newspapers and circulars, and care should always be taken to see that the packet falls into the letter-box, and does not stick in its passage. Much trouble is saved to the office if circulars, before being posted, are tied in bundles with all the addresses in one direction. Correspondence posted early in the day, not only obtains in many cases the advantage of an earlier delivery, but frequently avoids the risk of delay from irregularity in the working of the trains.

Letters, circulars, &c. should be posted as early in the day as practicable.

22. The practice of sealing letters passing to and from the East and West Indies, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended, in all such cases, to use either wafers or gum, and to advise their correspondents in the countries referred to, to do the same.

Hot climates.

23. Any person who, on receiving a surcharged letter, has reason to think that it has been wrongly taxed, should take it, before it has been opened, to a post office to be weighed, and if it then appear that it does not turn the scale, should have its exact weight certified in writing. This will in most cases be sufficient evidence that the letter has been erroneously charged; though sometimes, owing to the paper being damp when it is posted, a packet weighs more then than when it is delivered; and it is the weight at the time of posting that determines the charge.

Letters supposed to be wrongly surcharged.

24. When complaint is made of a letter or other postal packet being lost, missent, or delayed, information, as precise as possible, regarding all the facts of the case should be furnished, together with any documents that may throw light upon the matter. The day and hour at which the letter, &c. was posted, as well as the office at which and the person by whom this was done, should always be stated; and when possible, the cover or wrapper in an entire state should be sent, in order that the place of delay may be ascertained by an examination of the stamps.

Complaints about missing letters, &c.

25. Neither money nor any other article of considerable value ought ever to be sent through the post, except by means of a money order or in a regis-

Money, &c.

tered letter. Any person who sends money or jewellery in an unregistered letter, not only runs a risk of losing his property, but exposes to temptation every one through whose hands his letter passes, and may be the means of ultimately bringing some Post Office servant to ruin. Every letter which contains money, postage stamps, or other valuable article, even when registered, ought to be enclosed in one of the special registered letter envelopes supplied by the Post Office in order to obtain the benefit of the guarantee described at p. 10.

Bank notes. 26. Whenever bank notes are sent by post, even in registered letters, they should be cut in halves, and the second halves should not be posted till it has been ascertained that the first halves have been received; and further, in order to afford the means of identification, a memorandum should always be made of the number of each bank note.

Cheques. 26*a*. Care should be taken, when crossing cheques, to make the lines so distinct that they cannot be erased without betraying the erasure.

Late letters. 27. Except where the Surveyor may deem a longer interval necessary, late letters,* &c. are received till within five minutes of the despatch of the mail; although no office is kept open merely for this purpose after 10 o'clock at night. The times at which late letters can be posted at the Chief Office, St. Martin's-le-Grand, the Branch Offices, the District Offices, Receiving Offices, and Pillar Boxes in London, are given at pages 101–144.

Prepayment of late letters. 28. No late letters, &c. (except Government letters) are forwarded by the mail preparing for despatch unless prepaid, and that by stamps, including both the ordinary postage and the late letter fee.

29. Letters bearing the extra stamp of ½*d.* may be handed to the sorters in the Travelling Post Offices (except in London on Sundays) on any of the lines of railway upon which such Offices are run.

30. The late fee payable upon Post Cards is the same as upon letters; but in the case of letters directed to any department of Government, it is sufficient to prepay the fee.

Notice of hours of attendance, &c. 31. Every Postmaster is required to have a notice conspicuously placarded, giving information respecting the hours of attendance, the despatch and delivery of letters, &c.

Sunday. 32. At all offices which are open on Sunday the public are allowed to purchase postage stamps, and to have letters registered, during the time such offices are open (viz. from 9 to 10 in the morning and one other hour at least, beginning with the commencement of the delivery. If these hours coincide either wholly or in part, additional time is taken so as to complete two hours). The same regulation applies to Christmas Day and Good Friday. The hours at which telegraph business is attended to are, as a rule, from 8 to 10 A.M.; but no Money Order, Savings Bank, Insurance or Annuity Business is transacted on that day nor in Scotland on Sacramental Fast Days.

Christmas Day and Good Friday. 33. At no provincial town in England or Ireland is there more than one delivery on Sunday, Christmas Day, or Good Friday; nor, in Scotland, on Sunday or the Sacramental Fast Days;† and any person is at liberty to prevent even this delivery, so far as relates to himself, as shown by the following regulations:—

1st. Any person can have his letters, &c. retained in the Post Office on Sunday by addressing to the Postmaster a written request, duly signed, to that effect; and such request will be held to include newspapers, and all other postal packets, even such as may be marked "immediate;" as no distinction can be allowed.

2nd. No letters, &c. the non-delivery of which by the Letter-carrier on Sunday has been directed, can be obtained from the Post Office window on that day.

---

* "Late Letters" are such as are posted after the ordinary time, and cannot be sent forward by the mail then in preparation, unless extra payment be made.

† The despatch from Sub-offices on Christmas Day and Good Friday is generally earlier than on other week days, and the collections from Pillar and Wall Letter Boxes are usually the same on those days as on Sundays.

3rd. Private box-holders have the option of applying for letters at the office while it is open for delivery on Sunday, or of abstaining from so doing, as they may think proper; but no person can be permitted to engage a private box for Sunday only.

4th. To prevent the inconvenience and confusion which would arise from frequent changes in these instructions, no request can be entertained unless it extend to a period of at least three months, nor be withdrawn, even after the lapse of that time, without a week's notice.

Penalties for sending letters otherwise than through the post.

34. Any person conveying (otherwise than by the Post) a letter not exempted from the exclusive privilege of the Postmaster-General incurs, by law, a penalty of £5 for every letter, and £100 for every week the practice is continued. The sender also is liable to a penalty of £5 for every letter.

Exceptions from exclusive privilege of Post Office in conveyance of letters.

35. The exclusive privilege of the Postmaster-General is confined strictly to letters, and does not therefore extend to newspapers, books, or money; any of which may be legally conveyed by other means. The following kinds of letters also need not be sent through the Post:—

1st. Letters sent by a private friend, to be delivered by such friend to the person to whom they shall be directed;

2nd. Letters sent by a messenger on purpose, concerning the private affairs of the sender or receiver thereof; commissions or returns thereof; and affidavits and writs, process or proceedings or returns thereof, issuing out of a Court of Justice;

3rd. Letters sent out of the United Kingdom by a private vessel (not being a packet boat);

4th. Letters of merchants, owners of vessels of merchandize, or of the cargo or loading therein, sent by such vessels of merchandize, or by any person employed by such owners for the carriage of such letters, according to their respective directions, and delivered to the respective persons to whom they shall be directed, without paying or receiving reward or profit for the same in anywise;

5th. Letters concerning goods or merchandize sent by common carriers, to be delivered with the goods which such letters concern, without hire or other advantage for receiving or delivering such letters.

36. No person, however, is authorised to make a *collection* of such excepted letters for the purpose of sending them in the manner above described.

Persons forbidden to carry letters.

37. The following persons are expressly forbidden to carry a letter, or to receive or collect or deliver a letter, even though they shall not receive hire or reward for the same:—

1st. Common known carriers, their servants or agents, except a letter concerning goods in their carts or waggons, or on their pack horses; and owners, drivers, or guards of stage coaches;

2nd. Owners, masters, or commanders of ships, vessels, steam boats, or boats called or being passage or packet boats, sailing or passing coastwise or otherwise between places within Great Britain or Ireland, or between, to, or from ports within Her Majesty's dominions or territories out of the United Kingdom, or their servants or agents, except in respect of letters of merchants, owners of ships, or goods on board;

3rd. Passengers or other persons on board any such ships, vessels, steam boat, passage or packet boat;

4th. The owners of or sailors or others on board a ship or boat passing on a river or navigable canal within the United Kingdom or other Her Majesty's dominions.

PREVALENT MISCONCEPTIONS.

Much time necessary in making alterations.

1. Complaint is sometimes made of delay in carrying into effect intended improvements. It should, however, be borne in mind that changes in machinery so extensive and intricate as that of the Post Office must be made cautiously, and with much previous consideration. The arrangements of the service, even in districts widely separated, are so much dependent upon each

other, and economy of time (one of the first objects in all postal organization) requires that they should be so nicely adjusted, that no alteration can safely be made without completeness of preparation and a close examination of all its consequences; for as on the one hand experience shows that almost every improvement points the way to further amendment, so, on the other, it will be found that an ill-considered change, though it may give a partial advantage in one quarter, generally leads to dislocation and confusion in others. This, of course, involves a reference to every district or community which may be affected,—often distant from the metropolis; and entails the necessity of reports from various quarters, which must be considered, compared, and in many instances tested by experiment, before a safe decision can be arrived at. Even then, negotiations with railway companies or coach proprietors may have to be entered into, tenders invited, new contracts made, and old contracts, requiring notice of termination, got rid of, before the decision can take effect.

Mails for small places.

2. It is often assumed that a mail conveyance, passing by or through a place, however small, ought, as a matter of course, to deposit the letters directed thereto; the practice, and the necessary practice, being that until the mail arrives at the Head Post Office of the district the letters in question are not separated from the other letters of that district. Any other arrangement would require either that the mail conveyance, even if but a mail cart, should be converted into a Travelling Post Office, and furnished with clerks of great local knowledge, or that every village in the kingdom having any correspondence with the place in question should make up a bag for that place; in which case its mail would contain nearly as many bags as letters.

Reduction of Head Offices.

3. It happens from time to time that, owing to the stream of postal communication having been diverted from the old mail road to a line of railway, or from other causes of like nature, it becomes desirable to reduce the post office of a town from the condition of a principal office to that of a Sub-office. This step not unfrequently gives rise to complaints; the inhabitants being under the impression that they will not in future be so well served. This is a misconception. The change is not made when it would subject the correspondence to delay; nor does it cause any withdrawal of accommodation in respect to Money Order, Savings Bank, or other postal business. It is, in fact, simply a departmental arrangement, which consists in carrying on the sorting of the letters for the new sub-office at some intermediate office, instead of sending the letters in direct bags.

No control over Foreign Post Offices.

4. A frequent error is to assume that the Postmaster-General has some control over the delivery, charge, and other postal arrangements in the Colonies, and even in foreign countries; whereas, except at Malta and Gibraltar, the British Post Office is as powerless abroad as the Foreign, or Colonial, Post Offices are here.

No discretionary power to subordinate officers to remit charges, &c.

5. Another misconception, which occasionally causes trouble and disappointment, consists in assuming that a discretionary power can be intrusted to subordinate officers to remit penalties or overcharges in special circumstances. Cases will undoubtedly occur in which strict observance of a general rule may inflict more or less injustice upon individuals, and where a dispensing power immediately at hand might furnish a remedy; but in an establishment so large and so widely spread as the Post Office there will always be many subordinate officers, some of them carrying on their duties beyond the easy reach of any supervising authority, who are not fit depositaries of such a power, affecting, as it would, to a great degree, the public revenue. It therefore becomes necessary to lay down definite and precise rules from which no departure can be allowed, except under sanction of the Postmaster-General; while in the few instances in which these rules press hardly, appeal can be made to the General Post Office. It may be added, that in many instances even such appeal is necessarily fruitless, the Postmaster-General being bound to a particular course by positive law.

PROVINCIAL POST OFFICES IN THE UNITED KINGDOM.*

(Including those in the Isle of Man, and in the Orkney, Shetland, Scilly, and Channel Islands.)

Explanation of the signs used in this list.

1. All Head Offices are Money Order Offices, Post Office Savings Banks, and Telegraph Offices. In the following list *Money Order Offices* and *Post Office Savings Banks*, where also Government Stock business is transacted, are marked thus*; *Telegraph Offices* are marked thus †; *Insurance and Annuity Offices* are marked thus ‡; and certain places where Railway Companies transact telegraph business on behalf of the Post Office are marked thus §.

Head and Sub-offices.

2. Those places in the list which stand alone are *Post Towns*, that is, towns where the office is a Head Office. Where two places are mentioned, the first is a *Sub-office*, the second being its Head Office or Post Town. Where three are mentioned, the first is a *Sub-office*, the second is the *Head Office*, and the third is the *Money Order Office* nearest to the Sub-office; this being added for the information of persons who may desire to send money to the neighbourhood.

Railway Sub-offices. Independent Sub-offices. Mode of address.

3. The initials "R.S.O.," following the name of a place, indicate that the office is what is termed a *Railway Sub-office*, that is, a Sub-office which receives its correspondence direct from a Travelling Post Office instead of through a Post Town. If the Railway Sub-office is not a Money Order Office, the name of the nearest Money Order Office is added after the name of the county. Certain Sub-offices receive a large part of their correspondence, or their day mail letters, from some other than their own Head Office. These offices are notified by the initials "S.O.," and the name of a county in brackets, and letters for them and for Railway Sub-offices should have the initials "S.O." or "R.S.O.," as the case may be, together with the name of the county, (if given in this list) added to the address.

Receiving offices.

4. *Town Receiving Offices* are not entered in this list unless Money Order and Savings Bank business is transacted at them.

† From the W., S.W., and N.W. districts only. ‡ With a few exceptions shown at pp. 101-144.

At many of the Offices and Pillar Boxes, Letters can be posted rather later than the times stated above For exact times *see* pp. 101-144.

At the Chief District and Branch Offices, Book Packets, Circulars, and Newspapers must be posted, as a rule, about half an hour before Letters and Post Cards.

1. The hours within brackets show the approximate time of delivery of the Mail denoted by the preceding index letter in each case.

2. Except where otherwise specified (*see* page 95), the Mails marked *x y z* fall into the first delivery on the following morning.

N.B.—Index letters in brackets denote Mails of which there is no delivery by Letter Carrier. Letters are delivered to Callers at the Office.

Tuesday Morning.	Thursday Morning.	Saturday Morning.

For the times of posting letters, &c. for the Channel Islands, *see* the Table on page 83, index letters "*o*" and "*x*"; on Saturdays "*o*" and "*p*".

2. ALDERNEY and SARK are served from GUERNSEY, and letters are forwarded to them on the average five times in a fortnight.

3. The SCILLY ISLANDS Mails are conveyed by steamer to and from Penzance twice a week, viz.: from Penzance to Scilly on Wednesdays and Saturdays, soon after the arrival of the Night Mail from London; and from Scilly to Penzance on Tuesdays and Fridays in connexion with the Night Mail to London.

4. Mails to and from the ISLE OF MAN are conveyed by steamers between Liverpool and Douglas *daily* (Sundays excepted). There is also one communication weekly between Liverpool and Ramsey.

5. Mails to and from the ORKNEY ISLANDS are conveyed daily (excepting Sunday), from Thurso at 9.40 A.M., and from Stromness at 4.45 A.M.

6. Mails to and from the SHETLAND ISLANDS are conveyed from Aberdeen every Friday Evening, arriving at Lerwick on Sunday Morning; and returning from Lerwick to Aberdeen every Monday at 6 and 10 P.M. alternately. There is a second weekly Mail leaving Aberdeen on Tuesday evening, and returning from Shetland on Thursday at 6 and 10 P.M. alternately during the summer months from May to October.

7. Mails to and from the ISLAND OF LEWIS are conveyed between Ullapool and Stornoway five days a week from 1st April to 30th September, and three days a week during the remainder of the year. The excepted days in summer are Sunday and Tuesday. In winter the steamer leaves Stornoway on Monday, Wednesday, and Friday mornings, arriving at Ullapool in time for despatch of London Mail, and leaves Ullapool for Stornoway on the same mornings at 11.30.

MIDNIGHT DESPATCHES.

Except on Sundays, Supplementary Mails are now despatched from London to many provincial towns shortly before midnight. In many instances the letters sent by these Mails are included in the first delivery of the next morning; and in any case portions of the Mails are ready for delivery sooner than if they were despatched by the early morning trains, or by the ordinary Day Mail trains of the next day. As, however, the trains carrying these midnight despatches are not "Mail" trains, there is, to some extent, a risk of irregular arrival. A list of the towns served, with further particulars relative to the deliveries, is given on next page.

REGULATIONS RELATING SPECIALLY TO THE LONDON DISTRICT.

Postal Districts.

1. London and its environs are divided into Eight Postal Districts. The following are the names of the Districts, with their abbreviations, viz. :—

Eastern Central	E.C.	South Eastern	S.E.
Eastern	E.	South Western	S.W.
Northern..................	N.	Western..................	W.
North Western...........	N.W.	Western Central	W.C.

2. By the addition of the initials of the Postal District to the address of a letter for London or its neighbourhood, increased security is afforded against mis-delivery or delay, and the work of the Post Office is facilitated.

3. The District initials for every important street or place are given in the Street List, page 159.

Town Deliveries.

4. The portion of each District within about 3 miles of the General Post Office is designated the Town Delivery, and the remainder the Suburban Delivery.

5. Within the limits of the Eastern Central District there are daily twelve deliveries, and within the Town limits of the other Districts eleven deliveries :—The *First*, or General Post delivery, including all Inland, Colonial, and Foreign letters arriving in sufficient time, commences about 7.20 A.M., and, except on Mondays, or on other days when there are large arrivals of letters from abroad, is generally completed, throughout London, by 9 o'clock. In the Eastern Central District the second delivery begins at about 8.30 A.M., and includes the correspondence received by Night Mail from Ireland and by the North Mail, arriving at 8.0 A.M.; and the third delivery in this District, corresponding with the second delivery in other districts, is made at about 10 A.M., and includes the letters collected in London generally at 8.45 A.M., and the correspondence by the Scotch Mail arriving about 9 A.M. The next nine deliveries are made in every District hourly, and include all letters reaching the General Post Office, or the District Offices in time for each despatch. The last delivery, extending to all the Districts, begins at about 7.45 P.M.

6. Each delivery within the Town limits occupies about an hour.

7. The Provincial Day Mails are due at various times, and letters are included in the next Delivery after their arrival in London. The Day Mails from Ireland, France, and the Continent generally, and the letters received from Brighton and other towns which have a late afternoon communication with London, are delivered the same evening in London and in the Suburbs within the six-mile circle. (For numbers of Mails between Provincial Post Towns and London, *see* page 83.)

Suburban Deliveries.

8. The number of despatches to the Suburban Districts varies according to distance. To most Suburbs there are six despatches daily. The first (at 6.30 A.M.) is to all places within the London District; and includes the correspondence by the Night Mails from the Provinces, and by any Colonial or Foreign Mails arriving in sufficient time. This delivery is generally completed in the nearer Suburbs by 9 A.M., and at the more distant between 9 and 10 A.M. The second despatch (at 9.30 A.M.) is to the nearer Suburban Districts only. The third despatch (at 11.30 A.M.) comprises, with a few exceptions, every part of the London District. Except to isolated places

the fourth despatch (at 2.30 P.M.) is to most of the Suburban Districts. The fifth despatch (at 4.30 P.M.) extends to the whole of the Suburban Districts; and, except in the remoter rural places, the letters are delivered the same evening. The sixth despatch is at 7 P.M. Letters for this despatch posted at the Town Receiving Houses and Pillar Boxes by 6 P.M., *or at the Chief Office of the District to which they are addressed* by 7.30 P.M., are delivered the same evening; except at a few distant places, where the delivery is made early the following morning.

9. The deliveries in the Suburban Districts begin from one to two hours after the stated time of despatch; according to the distance from London; the deliveries in rural parts of the remoter Suburban Districts, being necessarily fewer than in the towns and villages.

Collections from the Town and Suburban Branch Offices and Receiving Houses, &c.

10. The latest times for posting letters at the Chief and District Offices, and at the Branch Offices, and Receiving Houses and Pillar Letter Boxes, for the London and Suburban despatches, and for the Inland, Colonial, and Foreign Mails, are fully stated in the Tables at pages 101–144. It is requested that all letters may be posted as early as possible.

11. Letters brought to the Branch Offices and Receiving Houses and Pillar Boxes after the fixed time of posting has expired cannot be forwarded till the next despatch; and the Receivers and Letter-carriers are strictly forbidden to receive a fee for including such letters in the collection. Letter-carriers are not permitted to take charge of letters to be posted on their route.

12. As a general rule the number of despatches from any place is the same as the number of deliveries there.

13. At the District Offices, and at the Town Receiving Houses, separate boxes are provided for "London District" and "General Post" letters; and the public will much facilitate postal business by taking care to post their letters in accordance with the inscription on each box. For the convenience of persons intrusting their letters to servants or children to post, the inscription on the "London District" box is in *red* letters, and that on the "General Post" box in *black* letters, so that the most illiterate person can be instructed in which of the boxes to deposit any letter. In the Town Districts generally, and in certain Suburbs where there is a midnight or early morning collection from the Pillar Boxes, the Receiving Office Letter Boxes are closed during the night and on Sundays, in order that letters may not be posted there, but in the Pillar Boxes, and so have the advantage of such early collection.

Night Mails from London.

14. These Mails leave the General Post Office at 8 P.M., and (with one or two exceptions) arrive at all important towns in England and Wales in time for a Morning delivery, beginning before 9 o'clock.

The arrival at Edinburgh, Glasgow, and Dublin is also in time for a similar delivery.

For times of posting for these Mails, see Tables given under each District, pages 101–144.

Latest time for registering Letters.

15. For the *Night Mails*, the latest time for registering both inland and foreign and colonial letters at the Chief Office, St. Martin's-le-Grand, and at the Head District Offices and Post Offices at Lombard Street, Gracechurch Street, Mark Lane, Ludgate Circus, and Charing Cross, on payment of the ordinary fee of

2*d.*, is 5.30 P.M.; or, on payment of a late fee of 2*d.* in addition to the registration fee, the latest time is 6 P.M., and at the Chief Office only, between 6 and 6.30 P.M. on payment of a late fee of 4*d.*, between 6.30 and 7 P.M. on payment of a late fee of 6*d.*, and between 7 and 7.30 P.M. on payment of a late fee of 1*s.* in addition to the ordinary fee and postage. At the Town Branch Offices and Town Receiving Houses the latest time for registering letters *for the Night Mails* is 5 P.M.

16. For the Supplementary (Midnight) Mails, for the Day Mails to the Provinces, Ireland, Scotland, France, and the Continent generally, and for the Colonial and Foreign Mails viâ Southampton, letters can be registered on payment of the ordinary fee at the General Post Office till 10.0 P.M., and at all Head District Post Offices, up to 8.0 P.M. At all other Branch and Receiving Offices letters can be registered so long as the offices are open to the public for postal business; but to ensure a due despatch by the above-named mails, such letters should be tendered not later than 7.45 P.M. Letters presented for registration after 7.45 P.M. will be sent forward by the first practicable despatch.

17. For the first delivery next morning in the London District, letters can be registered, on payment of the ordinary fee, at the General Post Office, till 10.0 P.M., and at the Head District Offices, till 8.0 P.M. At the Branch Post Offices in Lombard Street, Gracechurch Street, Mark Lane, Ludgate Circus, and Charing Cross, and at all other Branch Offices and Receiving Offices, till 7.45 P.M.; and for the other London District deliveries, half an hour before the latest time for posting ordinary letters. An exception to this is, that letters for delivery the same night in the London District can be registered at all Head District Offices up to 6.30 P.M. No letter can be registered at the General Post Office or at Lombard Street Office before 7.0 A.M., or at the Western District Office before 7.30 A.M., or at any of the other Offices in London before 8.0 A.M.

18. At the Suburban Offices the latest time for registering is half an hour before the fixed time for clearing the box for each despatch, except that no letter can be registered before 8.0 A.M. or after 8.0 P.M.

Letters "to be called for."

Poste Restante at General Post Office and Charing Cross. Hours of attendance. Letters not taken in at other district offices.

19. There is a Poste Restante both at the General Post Office, St. Martin's-le-Grand, and at the Charing Cross Post Office, where letters "to be called for" can be obtained between the hours of 8 A.M and 5 P.M. No letters (except communications from the Savings Bank Department) are taken in "to be called for" at the other District or Branch Offices, and any so directed are sent to the Returned Letter Office to be returned to the writers.

Poste Restante not intended for residents. Privilege only granted for two months.

20. The Poste Restante being intended solely for the accommodation of strangers and travellers who have no permanent abode in London, letters for residents must not be addressed to the Post Office "to be called for;" and any letters for a resident so addressed, although delivered at the Post Office for one week, are, after that time, sent out by the Letter-carriers. Even strangers are not, as a rule, allowed to use the Poste Restante for more than two months; at the end of which time they are expected to have their letters sent to a private address.

Initials and fictitious names.

21. Letters addressed to initials or to fictitious names at the Poste Restante are not taken in, but are at once sent back to the writers.

Private address; letters cannot be re-directed from.

22. Letters may not be re-directed from a private address to the Poste Restante.

Should be addressed "To be called for."

23. Letters intended to be called for at the General Post Office should have the words "to be called for" added to the address; otherwise such

letters are sent round, in the first instance, to the several departments of the General Post Office, to ascertain whether they are intended for any of the officers, and therefore may not be at hand when applied for.

Particulars required. 24. All persons applying for letters at the Poste Restante must be prepared to give the necessary particulars to the clerk on duty, to prevent mistakes and to ensure the delivery of the letters to the persons to whom they properly belong. If the letters be for a subject of the United Kingdom he must be able to state from what place or district he expects them, and must produce some proof of identification; and if he sends for his letters, the messenger, besides being furnished with this information, must have a written authority to receive them. If the applicant be a foreigner he must produce his passport; or if he send for his letters the messenger must produce it. Subjects, however, of States not issuing passports, are treated as subjects of the United Kingdom.

Letters how long kept. 25. Letters from abroad addressed to the Poste Restante, London, are retained for two months. Letters from provincial towns similarly addressed are retained one month, and letters posted in London one fortnight; all such letters, at the end of these periods, being sent to the Returned Letter Office for disposal in the usual manner.

Letters to be called for a Receiving Houses. 26. None of the Letter Receivers in the London District are required to take charge of letters to be called for; and all newly appointed Letter Receivers are forbidden to do so. Those who have been for some time in the service are for the present permitted to take in such letters (charging a fee for the accommodation), provided that the letters are addressed "Post Office," and that the persons seeking such accommodation are known to them or have previously made a like application, and that the Receiver is satisfied that proper use will be made of the privilege. When, however, letters for strangers are presented without the Receiver's consent having been first obtained, or, when there is reason to suspect that the Receiving House is being made to serve improper ends, the Receiver is instructed to refuse to take them in. Letters may not be re-directed from the Poste Restante to a Receiving House, or from one Receiving House to another in the London District. **Communications from the Saving's Bank Department.** This Regulation does not apply to communications from the Savings' Bank Department addressed to Receiving Houses to be called for, Letter Receivers being required to take in such communications, but without requiring any payment from the depositors.

Private Letter Boxes.

27. Private letter boxes may be rented at the window of the General Post Office, at the Lombard Street, Gracechurch Street, and Mark Lane Branch Offices, and at any District Office. The charge for a private box is 3*l.* a year, payable in advance; and no box can be rented for less than a year. Private box holders can obtain their letters between 7.30 A.M. and 7.45 P.M.

Hours of Attendance.

28. Postage stamps and stamped envelopes are sold at the Chief Office between the hours of 6.45 A.M. and 10.0 P.M.; at Lombard Street between 7.0 A.M. and 7.45 P.M; and at the Western District Office between 7 A.M. and 7.30 P.M.; at the other District Offices and the Charing Cross, Gracechurch Street, Mark Lane, and Ludgate Circus Post Offices, the Branch Offices, and Receiving Houses between 8 A.M. and 8 P.M.

29. Business relating to Money Orders, Savings Banks, Investments and Sales of Government Stock, &c. is transacted at the Chief District Offices, and at the Post Offices in Lombard Street, and Charing Cross between 10 A.M.

and 4 P.M., but on Saturdays, when such business ceases at 1 P.M., except at Lombard Street, where the time is 2 P.M. At Gracechurch Street, Mark Lane, and Ludgate Circus Post Offices, the Branch Offices and Receiving Houses in the Town Districts the time is between 10 A.M. and 4 P.M.; at Branch Offices in the Western and South-western Suburban Districts between 10 A.M. and 5 P.M., and in other Suburban Districts between 9.30 A.M. and 5 P.M.; and at Receiving Houses in the Suburban Districts between 9 A.M. and 6 P.M. Although, however, general Savings Bank business ceases at the hours named, yet Savings Bank *Deposits* are received at District and Branch Offices until 8 P.M. on Saturdays, and at Receiving Houses, as a rule, both on Fridays and Saturdays until 7 P.M.

Saturday Night.

Letters for the Country posted in London or the London Districts on Saturday too late for the ordinary Evening Mails, but in time for the last Evening Collections (as shown at pp. 101–152), are delivered next morning, if for places within the range of the Midnight despatches; if for places beyond that range, they are delivered on Monday.

Sunday.

All Post Offices in the London District are closed on Sundays with the exception of those mentioned at pages 256 and 257, which are open for the receipt and despatch of telegrams during the hours stated on those pages.

Letters posted in the *Pillar Boxes within the Town limits, and in some of the nearer Suburbs, on Sundays*, are collected, as shown at pp. 101–152, in time for the general Day Mails, and for the first London District delivery.

On **Bank Holidays** the Postal and Telegraph arrangements in London are of an exceptional character, and due notice is given of them by means of Notices to the public exhibited at Metropolitan Post Offices.

Inquiries for **Missing Letters, &c.** should be made at the Secretary's Office, New Building, between 10 A.M. and 4 P.M. (Saturdays between 10 and 1).

The **Poste Restante at the General Post Office,** to which letters for strangers and travellers may be addressed, is open for the delivery of such letters between 8 A.M. and 5 P.M. (*vide* page 98).

The **Returned Letter Office** is in Telegraph Street, Moorgate Street.

The **Money Order Office** is at No. 1, Aldersgate Street.

The **Post Office Savings Bank** is at No. 144A, Queen Victoria Street.

For "**Late Fee**" on letters posted in London *see* page 153.

PRINCIPAL STREETS, &c. IN THE LONDON DISTRICT, AND ALTERATIONS IN THE NAMES OF STREETS.

Prefixed to each Street or Place in the following List is a Reference Number corre- onding with that given in the List of Money Order Offices at page 154; so that any person ishing to remit money to any place in the London District can readily ascertain on which ffice the Order may conveniently be drawn.

To keep this List within convenient limits, it has been necessary to omit the names of any streets, &c. These are such as, in the address of a letter, are generally followed by iother name—that of some well-known main street or road in the immediate neighbour- iod, or the general name of the locality. When, therefore, a street, &c., cannot be found the List, the Postal District to which it belongs can be ascertained by referring to the ime of the neighbouring main street, or to the general name of the locality. Where the ain street is in one district and certain smaller streets near to it are in another, the smaller reets themselves are inserted in the List, with the proper district initials.

BOOK POST.

1. Articles which may be sent to places abroad under the Book Post Regulations consist of two classes, as follows:—

(*a.*) "Commercial Papers," under which are comprised all papers or documents written or drawn wholly or partly by hand (except letters or communications in the nature of letters, or other papers or documents having the character of an actual and personal correspondence), documents of legal procedure, Deeds drawn up by public functionaries, copies of or extracts from Deeds under private seal (and whether written or printed on stamped or unstamped paper), Way Bills, Bills of Lading, Invoices, and other documents of a mercantile character, documents of Insurance and other public Companies, all kinds of manuscript Music, the manuscript of Books and other literary works, and other papers of a similar description.

(*b.*) "Printed Papers," including periodical works, books (stitched or bound), pamphlets, sheets of music (printed), visiting cards, address cards, proofs of printing (with or without the manuscript relating thereto), engravings, photographs (when not on glass or in frames containing glass), drawings, plans, maps, catalogues, prospectuses, announcements, and notices of various kinds, whether printed, engraved, or lithographed, and in general all impressions or copies obtained upon paper, parchment, or card-board by means of printing, lithographing, or any other mechanical process easy to recognise, except the copying press, and anything usually attached or appurtenant to any of the before-mentioned articles in the way of binding, mounting, or otherwise, and anything convenient for their safe transmission by post which shall be contained in the same packet; also printed, engraved, or lithographed circulars, notwithstanding that such circulars may be letters or communications in the nature of a letter.

The two classes are subject to the same rates of postage, except that when addressed to countries in the Postal Union the initial rate for Commercial Papers is higher than that for printed papers. Contents must be secured. 5. Every article presented for registration must be enclosed in a strong envelope, securely fastened.

Declaration of value prohibited. It is prohibited to send to a country of the Postal Union any registered article marked on the outside with the declared value of the contents; and Postmasters must therefore refuse to receive articles which are so marked.

As it is prohibited to send coin, jewellery, or precious articles through the post to countries of the Postal Union, no letters or packets addressed to those countries and containing any such articles can be accepted for registration. This regulation, however, does not apply to Malta or Gibraltar.

RE-DIRECTION.

1. Letters, &c., sent to or received from a country of the Postal Union (for a List of the Countries, *see* page 227), and afterwards re-directed to any place in the United Kingdom or to another country within the Union, are not liable to any additional charge, nor, if registered, to an additional fee for registration; such, however, as have been in the first instance addressed to a place in the country where they were posted are chargeable on re-direction with the same postage, less the sum prepaid, which would have been charged had they been addressed in the first instance to the place of their ultimate delivery, but, if registered, without additional fee.

2. Letters, &c. addressed from one part of the United Kingdom to another, and then re-directed to a country not in the Postal Union, are liable to an additional Foreign or Colonial rate, and, if registered, to an additional fee for registration.

3. Letters, &c. received here from a country not in the Postal Union, and re-directed to another country not in the Postal Union, are liable to an additional Foreign or Colonial rate, and, if registered, to an additional fee: if re-directed to some place within the United Kingdom, they are liable to an additional inland rate; and, if re-directed to any country of the Postal Union, they are liable to the rate to that country. In the two latter cases, the letters, if registered, are not liable to any additional fee.

4. Letters, &c. received from any country of the Postal Union, and re-directed to a country not in the Postal Union, are liable to an additional Foreign or Colonial rate, and, if registered, to an additional fee.

Letters of soldiers and seamen. 5. Letters addressed to Commissioned officers in the Army, Navy, or Ordnance, or (provided they do not exceed $\frac{1}{2}$ oz. in weight) to schoolmasters or schoolmistresses in the Army, or Non-commissioned officers, private soldiers, schoolmasters in the Navy, or seamen employed on actual service in any of Her Majesty's colonies, or on any foreign station (even if not included in the Postal Union,) and who, before receiving the letters, may have started on their return home or to another station, may be re-directed to such officers, private soldiers, or seamen, &c., when these have removed *upon service*, and will be delivered to them without any charge for re-direction.

PARCEL POST TO INDIA, CEYLON, AND THE STRAITS SETTLEMENTS.

The Indian Parcel Post is not connected with the British Post Office; but is an arrangement between the Peninsular and Oriental Steam Navigation Company on the one hand, and the Post Office Departments of India, Ceylon, and the Straits Settlements on the other.

The Company's Circular on the subject is to the following effect:—

The Peninsular and Oriental Steam Navigation Company are authorised to receive Parcels for delivery at any Post town or district throughout India and Ceylon at a uniform rate of **1s.** per pound, or fraction of a pound weight, and in the Straits Settlements (Penang, Singapore, Malacca, Perak, Selangore, and Sungie Ujong) at the rate of 1*s.* 4*d.* per lb. or fraction of a lb.

This charge covers the conveyance from London to the address in India, &c.(but does not include Duty), and may either be prepaid or paid on delivery.

Parcels intended for this conveyance must be sent either to the *Company's Office*, 122, *Leadenhall Street, E.C.*, or to their *Branch Office*, 25, *Cockspur Street, S.W.*, London, by 1 o'clock, p.m., Monday, in each week, legibly addressed to their destination in India, &c., marked, "*To be forwarded by Indian Parcel Post.*" If sent to the Company's Office by post or other conveyance, the address in India, &c. must be put on an inner cover. In all cases they must be accompanied by a letter of advice to the Company, stating name and address of parcel, and value and contents, for Custom House clearance; and also distinctly stating whether carriage is to be prepaid or not. Should more than one parcel be forwarded, a separate advice must be sent for each, and the contents and value of each declared. If prepayment is required, a Cheque or P.O. Order for the amount must be enclosed in the letter, payable to Mr. A. M. Bethune, Secretary, or when sent to Cockspur Street, to Mr. F. H. Firth, Agent. *Particular attention is requested to these regulations in order to save any delay in the despatch of Parcels.*

Parcels conveyed under these regulations must not exceed 50 pounds in weight, and 2 ft. × 1 ft. × 1 ft. in measurement, nor be more than 50*l.* value. Jewellery, Gold, and Silver ware, Watches or Precious Stones, are charged an additional *ad valorem* rate of 1*s.* on every 5*l.* or fraction of 5*l.* which must be prepaid. They should be entirely closed, and any articles liable to suffer from crushing must be in a strong wooden case not less than half inch thick (tin lining optional). Parcels not in wood must have an outer covering of stout canvas if measuring one cubic foot and upwards.

Senders of Parcels from the Country will receive a receipt for them from the Company in due course, and if required the Company will effect Insurance against Sea and Land risks. The charge for Insurance, *which must in all cases be prepaid*, will be at the rate of 1s. for every 5*l.* or fraction of 5*l.* value *on each parcel* up to 50*l.*

Parcels of a fragile nature, or containing liquids, or articles of a dangerous or damaging nature, will not be received.

Reduced Rates for Books.—The Company are also authorised to receive Book packets (as defined by the Post Office Guide, page 198) for conveyance from London to India, &c. at the rate of Sixpence per lb. or fraction of a lb., for which a separate advice must be sent.

If any other article is found enclosed in the Book packet when examined by the Customs at Bombay, an extra rate of 2/- per lb. on the packet will be charged to the addressee.

No Letter must, under any circumstances, be enclosed in these parcels.

If a Receipt is required, a stamped and directed envelope must be enclosed in the Advice.

If no Advice accompanies the Parcel, it will be liable to be charged at the 1/- rate.

Remittances from the Country must be by Cheque, Post Office Order, or Penny Stamps. Stamps of a higher denomination cannot be received, and they must not be defaced, or affixed to the parcel.

MONEY ORDERS.

Application forms.

1. When applying for Money Orders, the public should use the prepared printed "Application Forms," which are supplied gratuitously at all Money Order Offices, viz.—

1. Application for Inland Orders;
2. Application for Foreign and Colonial Orders.

Commission.

2. The commission on inland Money Orders is:—

For sums under 10s.	2d.	For sums of 6l. and under 7l.	8d.
" of 10s. and under 2l.	3d.	" " 7l. " " 8l.	9d.
" " 2l. " " 3l.	4d.	" " 8l. " " 9l.	10d.
" " 3l. " " 4l.	5d.	" " 9l. " " 10l.	11d.
" " 4l. " " 5l.	6d.	" " 10l.	1s.
" " 5l. " " 6l.	7d.		

No fractional part of a penny allowed.

3. No order is allowed to contain a fractional part of a penny.

Particulars required.

4. No Money Order can be issued, unless the applicant furnish, in full, the surname and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address. In the case of Foreign Orders the full address of the payee must be given; and if the Order be payable to a native in British India, the Tribe or Caste, and the Father's name, must also be furnished.

Exceptions.—1st. The remitter is at liberty to desire, at the time of issue, that the Order be crossed like a cheque thus, & Co., and be made payable only through a Bank, in which case it is left to his option to give or withhold the name of the payee. The designation of the bank need not be furnished. Foreign and Colonial Money Orders do not come under this exception.

2nd. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient.

3rd. The usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the persons composing it, as the "Carron Company," but even a designation of this nature may be accepted provided the Order at the time of issue be crossed for presentation through a Bank.

Order to be crossed.

5. The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus presented the question put on the presentation of an ordinary Money Order is dispensed with.

Nearest Money Order Office.

6. When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid: otherwise the order can be cashed only at the Head Office. It is not incumbent on a Postmaster to supply such information relative to local or provincial offices, but the nearest Money Order Office to any street in London may be ascertained by referring to the Street List, at page 159.

Orders cannot be cancelled.

7. An order once issued cannot be cancelled; and should repayment or transfer to a different office be required, the remitter or payee must apply to the paying Postmaster according to the directions in par. 16 of these regulations.

8. The remitter of an order has full control over the money until payment has actually been made by the Department. In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the Money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the Postmaster, when he obtains the order, he affix thereto, in the space after the request C., a penny adhesive stamp, and write his signature across the stamp.

Payment.

9. When an order is presented for payment (otherwise than through a bank) the Postmaster has first to see that the signature of the payee be in agreement with the advice. He has then to call on the applicant to give the name of the remitter, and if the reply be correct, the order will be paid, unless the Postmaster have good reason for believing that the applicant is

neither the rightful claimant, nor deputed by him. When an order is presented through a bank, duly crossed with the name of such bank, by a person known to be in its employment, the usual formalities observed on presentation in the ordinary way will be dispensed with and payment made. Orders presented at the Chief Office, London, by banks having accounts at the Bank of England, will be paid at sight irrespective of the places at which such orders are payable, but only on the understanding that any errors discovered on comparison with the relative advices will be subsequently adjusted.

10. Money Orders do not require a receipt stamp.

Void Orders.

11. Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained.

No compensation granted and no after payment made.

12. No application can be entertained for compensation for alleged injury from the nonpayment of a Money Order at the expected time.

13. After once paying a Money Order, by whomsoever presented, the Office is not liable to any further claim.

Precautions to be taken.

14. To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended,—

1st. When he is well known to the payee, to sign the letter enclosing the order with his initials only.

2nd. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank by crossing it like an ordinary cheque.

3rd. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment cannot be made on day of issue.

15. Payment of an order cannot be demanded on the same day as that on which the order was issued.

Duplicate orders, transfers, repayments, alteration of name, &c.

16. In case of the miscarriage, or loss, of an inland money order in transmission through the post, a duplicate will be granted, free of charge, on a written application, with the necessary particulars, being forwarded to the Controller of the Money Order Office in England, Scotland, or Ireland, according to the country in which the original order was issued. Should an order be lost after the delivery of the letter in which it was enclosed, an additional commission, which should be forwarded in postage stamps together with the application for a duplicate order, will be charged. This additional commission, for duplicate of an order not exceeding 5*l*., will be one shilling; above 5*l*. and not exceeding 10*l*., two shillings. If it be desired to stop payment of an inland order, application must be made at the office where the order is payable, and a second commission must be paid. If alteration in the name of the payee or remitter of an inland Money Order should be required, application, accompanied by the payment of a second commission, must be made by the remitter to the Postmaster of the office at which the order was issued. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the Postmaster at whose office the order is payable, who will transmit in exchange, a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant and imposed on the officer in fault.

17. A Postmaster is required to give information how to apply for a duplicate order, &c., and must furnish the prescribed form of application. If

payment of an order be refused, in consequence of the reply to the question respecting the remitter, or the signature on the order not corresponding with the entries on the advice, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing Postmaster.

Letter Carriers, &c. not bound to procure Foreign Orders.

18. No Letter Carrier, Rural Messenger, or other Servant of the Post Office is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

19. Money Orders are issued in the United Kingdom on the following Foreign countries, British possessions, Agencies, and Colonies, at the rates of commission shown below :—

TABLES SHOWING THE SUMS PAYABLE IN FOREIGN CURRENCIES ON MONEY ORDERS ISSUED IN THE UNITED KINGDOM, AND VICE VERSÂ.

NOTE.—In calculating amounts payable in the United Kingdom, it must be understood that the Foreign Offices of Exchange reserve to themselves the power of dealing with fractions of a penny as they mây deem most convenient. An Order issued in Switzerland for 53 francs may be credited either as 2*l*. 2*s*. 0*d*. or 2*l*. 2*s*. 1*d*.

POSTAL ORDERS.

Postal Orders, for certain fixed sums from 1*s.* up to 1*l.*, are now issued to the public at all Post Offices at which Money Order business is transacted.

2. The following are the amounts for which Postal Orders are issued, together with the Poundage payable in respect of each Order:—

Amount of Order.	Poundage.	Amount of Order.	Poundage.
s. *d.*	*d.*	*s.* *d.*	*d.*
1 0	½	10 0	2
1 6	½	12 6	2
2 6	1	15 0	2
5 0	1	17 6	2
7 6	1	20 0	2

3. The person to whom a Postal Order is issued must, before parting with it, fill in the name of the person to whom the amount is to be paid, and may fill in the name of the Money Order Office at which the amount is to be paid. The person so named must, before payment can be made, sign the receipt at the foot of the Order, and must also fill in the name of the Money Order Office, if that has not been already done.

4. Every person to whom a postal order is issued should keep a record of the number, date, and name of office of issue to facilitate enquiry if the order should be lost.

5. If a Postal Order be crossed "______ *& Co.*" payment will only be made through a Banker, and if the name of a Banker is added, payment will only be made through that Banker.

6. A Postal Order presented by, or through, a Banker for payment will not (in the absence of an express arrangement between such Banker and the Postmaster General to the contrary) be paid until after such Order has been examined at the Chief Office.

7. After a Postal Order has once been paid, to whomsoever it is paid, the Postmaster General will not be liable for any further claim.

8. If any erasure or alteration be made, or if the Order is cut, defaced, or mutilated, payment may be refused.

9. The Regulations under which Postal Orders will be issued allow the Postmaster to delay or refuse the payment of an Order, but he must at once report his reasons for so doing to the Postmaster General.

10. After the expiration of three months from the last day of the month of issue, a Postal Order will be payable only on payment of a Commission equal to the amount of the original poundage, with the addition (if more than three months have elapsed since the said expiration) of the amount of the original poundage for every further period of three months which has so elapsed, and for every portion of any such period of three months over and above every complete period.

11. The Commission thus paid must be affixed in Postage Stamps to the face of the Order.

POST OFFICE SAVINGS BANKS.

Hours of business.

1. Post Office Savings Banks are established at all Money Order Offices in the United Kingdom, and are open for the receipt and payment of money and for the transaction of Government Stock business daily during the hours appointed for Money Order business. At Receiving Houses in provincial towns business is, as a rule, continued up to a late hour on Friday and Saturday. In London, although general Savings Bank business ceases at the hours fixed for closing Money Order business (see paragraph 29, page 99), yet *deposits* are received at the District and Branch Offices until 8 p.m. on Saturday, and at the majority of the Receiving Houses both on Friday and Saturday until 7 p.m.

Amount of deposits.

2. At these Banks deposits of one shilling, or any number of shillings, will be received; but no one may deposit more than 30*l.* in one year ending 31st December, or make a further deposit when the total amount standing to his credit has reached 150*l.* exclusive of interest. (The limits of 30*l.* and 150*l.* are irrespective of any sums deposited for the purpose of immediate investment in Government Stock, see page 243.)

Small Savings by Postage Stamps.

Any person desirous of saving one shilling by means of penny contributions, for deposit in the Post Office Savings Bank, may do so by purchasing with every penny so saved a penny Postage Stamp, and affixing it to a form to be obtained at any Post Office. When 12 such stamps have been so affixed, the form may be taken to any Post Office Savings Bank in the United Kingdom, where it will be received by the Postmaster, and one shilling be allowed for the stamps, which shilling will be accepted either as the first deposit in a new account then to be opened, or as an ordinary deposit if the owner of it has already opened an account. If the stamps affixed to the form are defaced, or in any way damaged, they will not be received by a Postmaster.

Name, address, and occupation of Depositor to be furnished, and declaration to be made.

3. On making his first deposit, every person must give his Christian and surname, state his occupation and residence, and sign the following declaration, to be witnessed by the Postmaster or by some person known to the Postmaster or by the Minister or a Churchwarden of the parish in which the Depositor dwells, or by a Justice of the Peace; and if such declaration or any part thereof shall not be true the Depositor making the same will forfeit all right to his deposits.

I do further hereby declare, that I am not directly or indirectly entitled to any deposit in, or benefit from the Funds of this or any other Savings Bank in Great Britain or Ireland, nor to any sum or sums standing in the name or names of any other person or persons in the books of the said Post Office Savings Bank; and I do hereby also testify my consent that my deposits in the said Post Office Savings Bank shall be managed according to the Regulations thereof.

Witness my hand this   day of   188 .

Signed by the said Depositor in the presence of me, ...

....

Save and except such benefit as I may be entitled to from being a Member of a Friendly Society legally established; or from such sum or sums as may be standing in my name as Trustee jointly with the name or names and on behalf of any other depositor or depositors.

If Depositor cannot write.

4. If the Depositor cannot write, then on making the foregoing declaration and in any other case in which his signature is required, the Depositor must, in the presence of a witness, affix his mark to be attested by the witness's signature.

Deposit to be entered in Deposit Book and acknowledged from Chief Office.

5. Every deposit in a Post Office Savings Bank must at the time be entered by the Postmaster or other person receiving it in the Depositor's book, and the Postmaster or other person receiving the deposit must affix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices, and ascertain that the entries therein are correct, and they should keep their books in their own possession.

In addition to the receipts which the Depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the Depositor within four clear days, exclusive of Sundays and Bank Holidays, from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland, the acknowledgment should reach the Depositor within six days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the Depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in his book, the Depositor should immediately apply to the Controller of the Savings Bank Department by letter, and should renew his application again and again until he obtains a satisfactory reply. *If desired an acknowledgment can be addressed to any Post Office to be called for.*

6. Interest at the rate of 2*l.* 10*s.* per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one halfpenny on each complete pound for each calendar month) is allowed until the sum due to a Depositor amounts to 200*l.*, when interest ceases to be allowed. The calculation is made from the first day of the calendar month next following the day on which a complete pound has been deposited, or on which deposits of a less amount shall have made up a complete pound, up to the last day of the calendar month preceding the day on which a warrant for repayment is issued. The interest due to each Depositor is added to the principal due to him on the 31st December in each year. **Interest.**

7. Besides ordinary persons, deposits may be made: **Persons by whom deposits may be made.**

(A.) By a Trustee on behalf of another person, in the joint names of such Trustee and the person on whose account such money shall be so deposited; but repayment of the same, or any part thereof, will not be made without the receipts of both parties. A person may act as trustee in any number of accounts, and at the same time have an account in his own name.

(B.) By two persons jointly on their own behalf, provided neither of them is already a depositor.

(C.) By or for the benefit of children, but will not be repaid until they attain the age of 7 years. In the event of death before they attain the age of 7 years, the money (unless, exclusive of interest, it exceeds 50*l.*, in which case it will be necessary that Letters of Administration be taken out) will be payable to the father, or if there be no father to the next-of-kin, on the expiration of one month from the date of death of the depositor, on the usual evidence of death and identity being furnished.

(D.) By the Trustees or Treasurer of any legally established Friendly, Charitable, or Provident Society, or Penny Savings Bank; provided such Trustees or Treasurer make application by post to the Controller of the Savings Bank Department accompanied by a copy of their rules. Such Societies, &c. are allowed to invest considerably beyond the usual limit, or even without restriction as to amount; according to circumstances.

(E.) In the name of the Registrar of any County Court. Under the 24th section of the Act 30 & 31 Vict. c. 142 (County Courts Act), "trust moneys" not in excess of 500*l.* may be thus deposited; and under the 26th section, money paid into a County Court in "equitable proceedings" may be deposited by the Registrar without restriction as to amount.

8. Deposits may be made by married women, and in this paragraph the expressions "married women" or "a married woman" include not only women who were married at the time of making a deposit, but also women who have married after making a deposit, and the words "deposits" or "deposit" include the interest on any deposit. The following provisions will apply **As to repayment of deposits made by married women.**

generally (subject to any question of the domicile of a depositor) to deposits by married women :—

(*a.*) Payment of deposits by a married woman made in England or Ireland before the passing of the Married Women's Property Act, 1870 (the 9th August 1870), will be made to the depositor, unless her husband shall require the deposit to be paid to him, and shall prove the marriage to the satisfaction of the Postmaster-General.

(*b.*) Deposits made in England or Ireland by a married woman after the 9th August 1870 are by the above-mentioned Act of 1870 to be deemed her separate property; but if any such deposits are made by a married woman by means of moneys of her husband without his consent, the Court of Chancery in England or the Civil Bill Court in Ireland, or in England the Judge of the County Court of the district in which either party resides, may, upon application under the 9th section of the Act, order such deposits, or any part thereof, to be paid to the husband. If, therefore, the husband of such woman shall give notice in writing to the Postmaster-General of his intention to apply for such order, then as regards deposits made after the passing of the Act, unless he shall give notice in writing to the Postmaster-General of his intention to withdraw his claim, no repayment will be made to either party without the order of one or other of the courts above mentioned.

(*c.*) Payment of deposits by a married woman domiciled in Scotland will take place subject to the provisions of the Married Women's Property (Scotland) Act, 1877, and the Married Women's Property (Scotland) Act, 1881.

(*d.*) Any dispute in regard to deposits in Scotland may be settled by the Registrar or an Assistant Registrar of Friendly Societies under the Savings Bank Barrister Act, 1876.

Depositor's book to be sent once a year to Principal Office.

9. Once in each year, ***on the anniversary of the day on which the first deposit was made***, the Depositor should forward his deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that Department, and in order that the interest due to the previous 31st December may be inserted in it.

No charge for book at first supplied. Charge for duplicate book.

10. No charge will be made for the books at first supplied to Depositors, or for books issued to them in continuation thereof; but if any Depositor shall lose his book, and shall desire a new book, application must be made by him to the Controller of the Savings Bank Department by letter, stating the circumstances, and enclosing Postage Stamps of the value of one shilling to pay for the new book should the application be granted.

No postage charged for transit of books, &c.

11. No charge for Postage will be made on the Depositor for any letter passing between him and the Savings Bank Department with regard to his deposits, or with regard to the withdrawal of the same, or for the transmission of his deposit book between him and the Savings Bank Department, and letters addressed to the Controller on Savings Bank business need not be prepaid.

Transfer of deposits.

12. A Depositor in the Post Office Savings Bank may transfer his deposits to any other Savings Bank legally established; and, on his written application, accompanied by his book, to the Chief Office of the Postmaster-General, in a form to be obtained at any Post Office Savings Bank, he will be furnished with a certificate of the whole amount due to him; and his account with the Post Office Savings Bank will thereupon be closed. A Depositor in any legally established Savings Bank may transfer his account to the Post Office Savings Bank, and may require from the trustees or managers of such bank a certificate stating the amount due to him; and thereupon his account with such bank will be closed. The certificate may be delivered at any Post Office Savings Bank, and will be received as a deposit of the amount therein set forth; and on the certificate being forwarded to London, and verified by the National Debt Commissioners, an acknowledgment for the amount will be sent to the Depositor.

13. When a Depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same on a printed form called a Notice of Withdrawal, which he can obtain at any Post Office Savings Bank. When he has properly filled up this form, he must fold and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive a warrant for the amount required by him, payable at the Post Office Bank named by him in the Notice of Withdrawal. This warrant must be presented by the Depositor at the Post Office named thereon, together with the Depositor's book, in which the Postmaster will enter the amount repaid, and attest the entry with his signature and the dated stamp of his office. The Postmaster will take from the Depositor a receipt (not chargeable with stamp duty) on the warrant for the amount repaid to him. The Postmaster-General will endeavour to prevent fraud, and to identify every Depositor transacting business with the Post Office Savings Bank; but if any person shall obtain possession of a Depositor's book and then fraudulently represent himself to be the Depositor, and by forwarding the proper notice of withdrawal, and by presentation of the Depositor's book, and compliance with the Rules of the Department, shall obtain any sum of money belonging to that Depositor, the Postmaster-General will not be responsible for the loss thereof. **Withdrawals of deposits.**

14. Repayments are made only to the Depositor in person, or to the bearer of an order under his hand, signed in the presence of either the Minister or a Churchwarden of the parish in which the Depositor resides, of a Justice of the Peace, or, in case of sickness, of the Medical Attendant. If the Depositor be resident abroad, the signature must be verified by some constituted authority of the place in which he resides. A Form of Order, to be signed by the Depositor on such occasions, may be obtained at the Post Office at which the warrant is made payable. Money invested under the Act 30 & 31 Vict. c. 142 (County Courts Act), in the name of the Registrar of a County Court, can only be withdrawn upon authority addressed to the Postmaster-General by the Commissioners of Her Majesty's Treasury. **Repayments.**

15. In case any Depositor shall die leaving any sum of money not exceeding 50*l.*, exclusive of interest, deposited in the Post Office Savings Bank, and Probate of his Will, or Letters of Administration, be not produced, or if notice in writing of the existence of a Will, and intention to prove the same, or to take out Letters of Administration, be not given at the Principal Office within one month from the death of the Depositor; or if such notice be given, but such Will be not proved, or Letters of Administration be not taken out, and the Probate or Letters of Administration (as the case may be) produced to the Postmaster-General within two months from the death of the Depositor, it will be lawful for the Postmaster-General, after such period of *one* or *two* months, as the case may be, to pay and divide such funds at his discretion to or amongst the widow or relatives of the deceased Depositor or any one or more of them; or, if he shall think proper, according to the Statute of Distributions. *Note.*—A form for making application on the subject may be obtained at any Post Office Savings Bank. **Funds of deceased depositors not exceeding 50*l.***

16. In case any Depositor shall die leaving any sum of money in the Post Office Savings Bank, which (exclusive of interest) shall exceed the sum of Fifty Pounds, the same will only be paid to the Executor or Administrator on the production of the Probate of the Will or Letters of Administration of the Estate or Effects of the deceased Depositor. **Funds above 50*l.***

17. If any Depositor, being illegitimate, shall die intestate, leaving any person or persons, who but for the illegitimacy of such depositor, and of such person or persons, would be entitled to the money due to such deceased Depositor, it will be lawful for the Postmaster-General, with the authority in writing of the Solicitor to the Treasury, to pay the money of such deceased Depositor to any one or more of the persons who in his opinion would have been entitled to the same according to the Statute of Distributions if the said Depositor had been legitimate. **Payment on death of a Depositor being illegitimate and dying intestate.**

Incapacitated Depositors.

18. If any Depositor shall become insane, or otherwise incapacitated to act, and the same shall be proved to the satisfaction of the Postmaster-General, then the Postmaster-General, if he shall be satisfied of the urgency of the case, may authorise payment, from time to time, out of the funds of such Depositor to any person whom he shall judge proper to receive it.

Settlement of disputes.

19. If any dispute shall arise between the Postmaster-General and any Depositor, or any executor, administrator, next of kin, or creditor, or assignee of a depositor who may become bankrupt or insolvent, or any person claiming to be such executor, administrator, next of kin, creditor, or assignee, or to be entitled to any money deposited in the Post Office Savings Bank, the matter in dispute must be referred, in writing, to the Registrar of Friendly Societies, and whatever award shall be made by the said Registrar will be binding and final without any appeal.

Secrecy.

20. The officers of the Postmaster-General engaged in the receipt or payment of deposits are not allowed to disclose the name of any depositor, or the amount deposited or withdrawn by him, except to the Postmaster-General, or to such of his Officers as may be appointed to assist in carrying out the provisions of the Post Office Savings Bank Act.

24. All dividends in respect of Government Stock standing to a depositor's credit will be carried to his deposit account in like manner as interest on his deposits. Dividends on Stock purchased.

25. When a depositor having Stock standing to his credit transfers his account from a Trustee Savings Bank to the Post Office Savings Bank, or from the Post Office Savings Bank to a Trustee Savings Bank, he must send his investment certificate to the savings bank authority of the bank to which his account is transferred, who will inscribe on the certificate a memorandum of the fact of the transfer, and return it to the depositor. The investment certificate, in the case of a sale of the whole of the Stock standing to the credit of a depositor, will be cancelled; and in the case of a sale of part of such Stock it will be inscribed with a memorandum of the amount of the Stock sold, and returned to the depositor.

POST OFFICE TELEGRAPHS.

INLAND TELEGRAMS.

Tariff for inland telegrams.

1. The charge for telegrams throughout the United Kingdom is 1*s.* for the first 20 words, and 3*d.* for every additional five words or part of five words. The names and addresses of the sender and receiver are not counted.

Tariff for press telegrams.

2. The charges for press telegrams are 1*s.* for every 100 words or portion of 100 words handed in between 6 p.m. and 9 a.m.; and 1*s.* for every 75 words or portion of 75 words handed in between 9 a.m. and 6 p.m.; with an additional charge of 2*d.* per 100 or 2*d.* per 75 words, as the case may be, for every additional address.

Telegraph stamps.

3. Distinctive stamps of the values of one halfpenny, penny, threepence, fourpence, sixpence, one shilling, three shillings, five shillings, ten shillings, one pound, and five pounds are issued for the payment of the charges on telegrams. Postage stamps are not available for the payment of telegrams, nor telegraph stamps for the payment of postage. Telegraph stamps are not purchased from the public, nor can they be exchanged for postage stamps. The public are required to affix the stamps to the message forms just as they are required to affix stamps to letters.

Receipts.

4. Receipts for the charges on telegrams can be obtained at a cost of 2*d.* each.

Telegram forms.

5. The inland telegram forms are of two kinds, namely, the "A 1" form, embossed with a stamp of the value of 1*s.*, and the "A" form (given gratis), with no stamp. The "A 1 forms" may be purchased singly or in any number. They may also be had in books of 20 forms, interleaved, and with a sheet of carbonic paper; price 1*l.* 0*s.* 2*d.* each book.

Free delivery.

6. When the terminal office, *i.e.*, the office situated nearest to the address, is a Head Post Office, the amount paid for transmission covers the cost of delivery within one mile or within the town postal delivery of that office when the delivery extends for more than a mile. But when it is not a Head Post Office, the message is delivered free within the limit of one mile only. When the terminal office is a sub-office, and that office is closed, exemption from porterage is allowed for one mile only if the telegram is delivered from the Head Office, even though the address of the telegram be within the limits of the town postal delivery.

Porterage beyond free delivery.

7. When the addressee resides beyond the free delivery, porterage is charged at the rate of 6*d.* per mile or part of a mile, provided the whole distance does not exceed three miles; but the charge is calculated from the boundary of the district within which no porterage is levied. For instance, if the addressee's residence is a mile and a quarter from the terminal office, and also beyond the town postal delivery, the charge for porterage would be 6*d.*; if the distance is above two miles and under three, 1*s.*

Delivery by mounted messenger.

8. If the addressee resides at a greater distance than three miles from the terminal office, porterage is charged, for delivery by mounted messenger, at the rate of 1*s.* per mile (except in Ireland, where the charge usually is only 8*d.* per mile), the charge being reckoned from the office door.

Sender responsible for charges.

9. The sender is responsible for all charges incurred in delivery; and when the address is not within the free delivery, he must, when practicable, state the distance and pay the charge for delivery in advance. When the exact distance is not known, a deposit must be paid to meet the charges.

Deficiency charged against addressee.

10. The sum paid for delivery by foot or mounted messenger is telegraphed to the terminal office; and should the sender have undercalculated the distance, the deficiency is charged on delivery.

11. If, on the contrary, the sender has paid too much, the excess is refunded on application to the Secretary. **Excess refunded to sender.**

12. If the sender requires his telegram to be forwarded by post or by train from the terminal office he must write the words "by post" or "by train" at the end of the address, and in the latter case he must deposit 1*s*. to cover the cost of conveyance. **Delivery by post or train.**

13. If the sender wishes his telegram to be posted in this country to some place abroad, he must write the words "by post from ——" (which will be charged for) at the end of the address; and he must prepay the postage. Thus a telegram of 25 words intended to be posted from London to Calcutta, viâ Brindisi, should be prepaid: 1*s*. 3*d*. in telegraph stamps and 5*d*. in postage stamps. **Mixed postal and telegraph service.**

14. A deposit of 5*s*. is required upon all telegrams addressed to persons on board ship (unless the ship be lying alongside a wharf, jetty, or pier) to cover any expense incurred in their delivery; but application can be made to the Secretary for any surplus. Such application should be made within three months. **Telegrams for ships.**

15. An embossed stamp which has been removed from a spoiled and unused "A 1" form will be accepted in payment of a telegram; but mutilated or defaced stamps will not. **Embossed stamps removed from "A 1" form.**

16. The sender should avoid all words not strictly necessary in his address. He is not obliged to have his address telegraphed, but he should furnish it to enable the Department to communicate with him if necessary. When the address is not to be telegraphed, it should be written at the foot or on the back of the form. **Sender should give his address.**

17. Telegrams can be repeated at the request of the sender, if he desires to adopt this security against risk of error, by being signalled back from each office at which they are received to the office from which they are forwarded. No copy of the telegram is, in such case, given to the sender. The charge for repetition is one half the ordinary tariff; fractions of threepence being reckoned as twopence. **Repetition of telegrams.**

18. Telegrams containing mercantile quotations and telegrams written in cypher, or according to a preconcerted code, should always be repeated. **Cypher telegrams should be repeated.**

19. If the receiver of a telegram doubts its accuracy, he may have it repeated by depositing half the amount paid for its transmission to him. The money will, however, be refunded to him if it should turn out that the telegram has been inaccurately transmitted. **Telegrams repeated half cost.**

20. The cost of a reply, not exceeding forty words in length, may be prepaid; and a Reply Form will then be delivered to the addressee, who will be at liberty to send his reply, from any Telegraph Office, at any time within two months after the date of the original telegram. If the Form be not used, application for the return of the money, accompanied by the Form, may be made, by the holder, to the Secretary, General Post Office, London. A Reply Form, however, need not necessarily be used for the reply to a message, but may be used for the purpose of prepaying a message containing the same number of words as that named on it. **Prepaid replies.**

21. Telegrams re-transmitted to a second address by wire or pneumatic tube are liable to additional charge at the ordinary Inland rate. No charge is made for the second service, if the re-direction does not involve any use of the wires or tubes. In addition to the amount chargeable on each re-transmitted telegram, a fee of 1*l*. 1*s*. per annum is charged for the registration of special instructions as to the re-direction of telegrams after office hours. Removals are registered, when this is specially requested, for a period of one month; and no charge is made for the registration. **Re-direction of telegrams.**

Copies of telegrams delivered to several persons.

22. Copies of a telegram directed to more than one person or firm in the same free delivery will be delivered separately at an additional charge of threepence per copy. The London Postal Districts will not be regarded, for this purpose, as together forming one free delivery; each Postal District being treated separately.

Telegrams can be posted.

23. Persons who wish to avoid sending to a Telegraph Office may, without additional charge, post a telegram form enclosed in an envelope addressed "Telegram, Immediate," in a wall or pillar box, or in the letter-box of a Receiving Office or Sub-Post Office. Telegrams so posted are sent on by the next collection to the nearest Telegraph Office, are thence transmitted by wire and are delivered free of extra charge, provided the proper amounts for the number of words contained in them, and for porterage when they have to be delivered beyond the limits of the free delivery, have been prepaid. The period of arrival at the Telegraph Office is regarded as the time of receipt from the public.

Telegrams may also be posted not enclosed in envelopes, and when so posted they will be treated in the same manner as those enclosed in envelopes.

Unpaid telegrams not forwarded.

24. Telegrams posted, insufficiently prepaid, are forwarded to their destination, and the difference of charge is obtained from the addressee; but unpaid telegrams are not forwarded.

Telegrams posted late liable to delay.

25. Most of the Telegraph Offices in the United Kingdom are closed between 8 p.m. and 8 a.m.; and as time is required for transmission between office and office, a telegram if it be deposited in a box at such a time that it cannot reach a Telegraph Office before 7 p.m., *may* not reach its destination until after 8 a.m. on the following day.

Late Fees.

26. Postmasters may accept telegrams after the usual hours on payment of certain fees, provided that the terminal Office is open, or, that the attention of that office can be gained. These fees are as follows :—

(*a.*) If the office is not open for either postal or telegraph business, 1*s.* for the postmaster, 1*s.* for the clerk, 1*s.* for a messenger, if one be required to call the clerk.

(*b.*) If the office is open for postal business but not for telegraph business, 1*s.* for the clerk, 6*d.* for a messenger, if one be required to call the clerk.

(*c.*) If the office is open for the receipt of press news, (but not for other telegraph business, or ordinary postal business,) 6*d.* for the postmaster, 6*d.* for the clerk.

27. Separate fees are payable for each telegram.

28. If a postmaster or clerk be called up to send a telegram, and it subsequently appears that the telegram cannot be dispatched, the person desiring to send it must nevertheless pay the same fees as he would have done if the telegram had been dispatched.

29. When telegrams are handed in at an office which is open for an office which is not open, the following fees for the clerk and messenger at the latter office, if the telegram be delivered, are to be paid by the sender :—

(*a.*) If the office is not open for either postal or telegraph business, 1*s.* for the clerk, 1*s.* for the messenger, 6*d.* an hour for the clerk if he has to wait for a reply.

(*b.*) If the office is open for ordinary postal business but not for telegraph business, 1*s.* for the clerk, no fee for the messenger.

Telegram can be handed to rural letter carriers.

30. Telegrams may be handed to Rural Letter Carriers on their way to Telegraph Offices.

Foreign words, &c.

31. Telegrams written in plain language in any European tongue are charged for according to the number of words they contain; but all unintelligible words not forming part of any European language are charged for at the rate of five letters to a word.

Combinations of

32. No combination of two or more words is counted as one word, with the exception of those words which are ordinarily written as one, or coupled by

hyphens, such as "mother-in-law," "non-delivery," "sub-lieutenant," "alms-houses," "O'Niel," "MacDonald," "Newcastle-on-Tyne," &c.

words not counted as one word.

Exceptional compound words.

33. The following exceptional compound words are charged for as one word:—

Midday.	Se'nnight.	To-night.	Yesterday.	Threepence, &c.
Midnight.	Cannot.	To-morrow.	Halfpenny.	
Noonday.	To-day.	Yesternight.	Twopence.	

So, too, are names with the prefix "St.," such as St. Albans, St. Asaph, &c.

Abbreviations allowed, but not recommended.

34. Abbreviations of auxiliary verbs designated by apostrophes (such as can't, won't, don't, I'll, you'll, couldn't, shouldn't, &c.) are counted as one word. By writing words in this way, however, there is a greater risk of error.

Each figure reckoned one word.

35. Numbers expressed in figures are counted as so many words, according to the number of figures employed. For example, "7" counts as one word, "12" as two words, "385" as three words; and so on. Fractions are counted according to the number of figures employed to express the quantity, one word being added for the bar or mark of division between the numerator and denominator—thus, "$\frac{1}{2}$" counts as three words, "$\frac{3}{4}$" as three words, "$109\frac{7}{8}$" as six words. In groups of figures intended to express time, any bar or stop is counted as one word: thus, 12–35 counts as five words. Ordinal numbers are charged in the same way as cardinal numbers, with the addition of one word for the affix st, nd, rd, or th, as the case may be.

Groups of figures and letters.

36. Where a group of figures is followed by a letter, the letter is counted as a word: thus 104a counts as four words.

District initials.

37. The initial letters denoting the several London Postal Districts are each counted as one word; for instance, "S.W." is counted as two words.

Names.

38. All names are counted as compound words if composed of more than one word. For example, "City of Brooklyn" is counted as three words; "New Orleans," two words; "Park Lane," two words.

Parentheses &c.

39. When the sender desires words to be underlined, or placed in a parenthesis, or within inverted commas, two extra words are charged for.

"Private," "confidential," &c. on envelope of message.

40. When the sender desires that special instructions, such as "private," "confidential," "to be opened at once," or the like, shall be written on the envelope of the message, he must write those instructions immediately after the address of the receiver. The instructions are charged for as part of the message.

Sender must pay for a fresh message if sent to a second address.

41. The sender, upon being informed that his message cannot be delivered in consequence of the addressee being unknown at the address furnished, must, should he furnish a corrected address, or require the telegram to be presented a second time, pay the cost of a fresh telegram. In the latter case, should it afterwards turn out that the failure in the first instance was the fault of the Department, the extra charge will be refunded.

Cancelling telegrams.

42. The sender may have his telegram cancelled, and if the application be made before the commencement of transmission the sum paid will be returned, on application to the Secretary, at any time within three calendar months; but if transmission has commenced, no part of the sum paid will be returned.

If transmission has been completed, an official telegram, prepaid by the sender as an ordinary telegram, will be sent to the Postmaster at the Terminal Office. In this case no part of the sums paid will be returned, but if the official telegram should arrive too late to accomplish its object, the sender will be informed that the attempt to cancel his telegram has failed.

Telegrams delivered on the road.

43. If the addressee of a telegram is known to the messenger, it may be delivered wherever on the road the messenger may meet him, but only on payment of such sum (if any) as would have been payable if the telegram had been delivered at its address.

Interruption of communication.

44. When in consequence of an interruption of communication a telegram cannot be transmitted to the Terminal Office, notice of the interruption is

given to the sender, together, if practicable, with a statement of the cost of delivery by special means, and on payment of such cost the telegram will be delivered. If, however, the sender prefer to cancel the telegram, the amount paid by him will be returned, on application to the Secretary, at any time within three calendar months.

45. If the sender cannot be found, or, if found, declines either to cancel the telegram or to pay for its delivery by special means, the telegram will be delivered without extra charge by post.

Abbreviated addresses.

46. Any person may register an abbreviated or arbitrary address on payment of a yearly registration fee of 1*l.* 1*s.*, but the address must consist of not less than two words, one of which is to be the town or place of delivery.

Messages "To be called for."

47. When telegrams are addressed to a Telegraph Office to be called for, they are kept for two clear days; and, if no application be made for them within that time, are sent to the Chief Office, London.

Re-direction of letters by telegraph.

48. Telegrams for the re-direction of letters are accepted at the ordinary rate of charge; but the sender must append his signature to the telegram, otherwise it cannot be acted upon.

Indecent or libellous telegrams.

49. Telegrams which are indecently or obscenely worded, or which appear to contain matter of a libellous or grossly offensive character, will not be transmitted.

Non-liability of Post Office.

50. The Department is not liable for losses incurred through the incorrect transmission, delay, or non-delivery of telegrams.

Hours of attendance.

51. Telegraph Offices (with the exception of Receiving Offices in London and other large towns) are, as a rule, open from 8 a.m. to 8 p.m. on Week days. On Sundays, the hours of attendance are usually from 8 a.m. to 10 a.m. in England, and from 9 a.m. to 10 a.m. in Scotland and Ireland. The following Offices are open longer:—

The Weather, and Forecasts of the Weather.

The latest information as to the weather in any district of the United Kingdom, and forecasts of the weather one day in advance in any district not bordering on the Atlantic, can be obtained by telegraph from the Meteorological Office on payment of a fee of 1s. in addition to the cost of a telegram and reply.

An application for such information addressed to the Meteorological Office, London, may be handed in at any Telegraph Office. It must be written on an ordinary inland message form, and must bear the full address of the applicant.

The Meteorological Office is open between the hours of 11 a.m. and 8 p.m. on week days, and between 6 p.m. and 8 p.m. on Sundays.

FOREIGN TELEGRAMS.*

(Regulations founded upon the International Telegraph Convention.)

Ordinary telegrams. 1. Foreign telegrams are divided into three classes,—ordinary, code, and cypher. Ordinary telegrams are those composed of a series of words, or of words, figures, and letters conveying an intelligible meaning.

Code telegrams. 2. Code telegrams are those composed of words, the context of which has no intelligible meaning. Proper names are not allowed in the text of code telegrams, except in their natural sense.

In European code telegrams any of the languages in use in Europe, or Latin, may be employed; but no telegram may contain words of more than one language.

In extra-European code telegrams, only English, French, German, Italian, Spanish, Portuguese, Dutch, and Latin, may be employed; but words of any or all of these languages will be allowed in one and the same telegram.

Cypher telegrams. 3. Cypher telegrams are those containing series or groups of figures or letters having a secret meaning; or words not to be found in a standard

* For rates, *see* page 264.

dictionary of the language. The portion in cypher must be composed exclusively of figures or exclusively of letters.

Cypher telegrams written in letters are not accepted for Extra-European places.

4. The address of the receiver must be paid for, and must not consist of less than two words, a name and a town. Example: Hercules, Bombay. Names and addresses.

5. The address of the sender is charged for if transmitted; if not to be transmitted, it must be written at the foot of the form. Sender's address.

6. In European telegrams the maximum length allowed for a single word is 15 letters, in Extra-European telegrams 10 letters; any additional letters being counted and charged for as extra words at the rate of 15 or 10 letters respectively to the word. Maximum length of a word.

7. Subject to the limit imposed by rule 6, ordinary compound words and names of persons and places, &c., written without break or interruption, are counted as single words. If joined by a hyphen, or separated by an apostrophe, or other sign of punctuation, they are counted as so many separate words. Counting compound words, proper names, &c.

Words incorrectly spelled, so as to reduce the number of letters below the maximum, or words incorrectly joined together, contrary to the usage of the language, cannot be accepted as single words.

8. Every separate letter or figure is charged for as one word, and in European telegrams, every group of five figures or letters is counted as one word, larger groups being counted at the rate of five figures or letters to a word, plus one word for any excess. In Extra-European telegrams, groups of figures or letters are counted at the rate of three to a word, plus one word for any excess. Bars of division, decimal points, and stops used in the formation of numbers are counted as figures. Letters added to figures to form ordinal numbers are counted as figures. Method of counting groups of figures, &c.

9. In telegrams addressed to residents in large towns, the name of the street and number of the house should be given; and the addresses should be expressed in French or in the language of the country to which they are to be sent. When these particulars cannot be given, the profession, trade, or calling of the addressee should, if possible, be stated. Telegrams which do not contain this information are forwarded only at the risk of the sender. Address to be given in full.

In telegrams addressed to places of which there are more than one of the same name, the name of the country or state in which the place is situated should be added to the address.

10. The sender is held responsible for an incorrect or insufficient address; corrections, alterations, or additions to the address can only be made by means of a fresh telegram, which must be paid for at the ordinary rate. Incorrect or insufficient address.

11. Persons residing in the United Kingdom may have an abbreviated or fixed address, or special instructions respecting the hours of delivery of telegrams which they may expect to receive, registered at the chief office of the town in which they reside, upon payment at that office of a registration fee of one guinea per annum. Registration of abbreviated or fixed addresses.

12. If the sender of a telegram desires to prepay a reply of 10 words he must insert before the address of the receiver either the words "Réponse payée" (reply paid), which are charged for as two words, or "R P," which is charged for as one word; but if he desires the reply to consist of more or less than 10 words, he must insert the words "R P —— mots," which are charged for as three words. More than 30 words cannot be prepaid. Prepaid replies.

In telegrams for Extra-European Countries the sender must always insert the words "reply —— words paid" or "R P —— words."

The amount prepaid for a reply will in no case be handed to the addressee; but if he do not use the reply form which will be handed to him, the amount will be returned to the sender, provided that the addressee returns the form to the Post Office within six weeks, accompanied by a request that the money may be refunded to the sender. No allowance will be made in case the charge for the reply should be less than the amount prepaid.

Repeated or collated telegrams. 13. The sender can have his telegram repeated from office to office to the terminal office by paying over and above the charge for the original transmission half that charge in addition. In that case the words "collationnement payé" (repetition paid) which are charged for as two words, or "T C," which is charged for as one word, must be inserted immediately before the receiver's address.

Exception. In North American telegrams, the words "repetition paid" or "T C" take the place of "collationnement payé."

Code telegrams to be repeated. 14. Repetition is desirable for all code telegrams.

Partial repetition between office of origin and handing-over office in United Kingdom. 15. On payment of a charge equal to one half the inland rate, the sender can have the telegram repeated between the office of origin and the office in Great Britain at which it is handed over to the Cable Company.

Notice of delivery or acknowledgment of receipt. 16. The sender may have a notice of the time at which his telegram was delivered transmitted to him by telegraph, by payment of an additional rate for 10 words. In that case the words "accusé de réception payé" (acknowledgment of receipt paid) which are charged for as four words, or "C R" which is charged for as one word, must be inserted before the receiver's address.

Exception. In North American telegrams the words "acknowledgment paid" or "C R" must be substituted for "accusé de réception payé;" and the acknowledgment of receipt is charged for as a five word message.

Repetition for the purpose of correction. 17. The receiver of a telegram can, within 24 hours after its delivery, request the Department to obtain the correction of passages which appear to him to be doubtful. For this purpose he must pay for two separate telegrams, viz.:—

A.—A telegram requesting the repetition, and containing the instruction "R P" or "R P —— words."

B.—A telegram calculated according to the length of the passage to be repeated plus two words for the address of the reply.

The amount thus paid is refunded, on application being made to the Secretary, General Post Office, if it should prove that the telegram has been inaccurately transmitted.

Repetition from the handing-over office in the United Kingdom. 18. The receiver of a telegram addressed to a place in the United Kingdom may have it repeated from the office at which it was handed over by the Cable Company to the Department on depositing the ordinary inland rate for the part of the telegram of which he requires the repetition; and if it be found that an error has taken place on the lines of this Department the amount deposited for the repetition will be refunded.

Telegrams to follow addressee. 19. When the sender is not quite certain of the exact place at which the receiver of the telegram will be found, he may insert immediately before the address the words "faire suivre" (to follow), which will be charged for as two words, or "F S" which will be charged for as one word.

Exception. Telegrams "to follow" are not accepted for Extra-European countries.

Telegrams to be called for. 20. In telegrams intended to be left until called for at telegraph offices or at post offices, the words "Bureau restant" or "Poste restante" must be inserted as part of the receiver's address.

Telegrams having multiple addresses. A telegram addressed to several persons in the same town, or to the same firm at different localities in the same town, is charged for as a single telegram, and a sum of 5*d.* must be prepaid for every extra copy to be delivered if

the number of chargeable words does not exceed 100; an additional sum of 5*d*. being charged for every additional 100 words or part of 100 words.

In calculating the charge all the names and addresses are included.

The North American Telegraph Companies do not accept telegrams having multiple addresses. Exception.

21. Under no circumstances is the charge for an unrepeated (uncollated) telegram, which has been inaccurately transmitted, refunded. The cost of a telegram which has been inaccurately transmitted and of which the repetition to the terminal office has been paid by the sender is returned when it is shown that the telegram was rendered useless by the inaccuracy. Reimbursement rules.

The cost of telegrams which have failed to reach their destination owing to some error on the part of the telegraph service; and the cost of telegrams which have been delayed beyond two days in the case of European, and beyond six days in the case of Extra-European telegrams, from other causes than an interruption of the telegraphic communication, is returned to the senders.

The cost of any telegrams which may have been rendered necessary in consequence of the non-delivery, delay, or incorrect transmission of a telegram is in no case returned.

The amount paid for a telegram which has been cancelled before transmission has commenced is returned, less the sum of sixpence. If the telegram is cancelled after transmission has commenced, but before it has reached the place to which it is addressed, any balance of charges which may be due to the sender will be returned.

22. Claims for reimbursement of the charges paid for telegrams should be accompanied— Claims for reimbursement.

1. In the case of non-delivery, by a written statement from the terminal office, or the addressee, that the telegram has not been received.
2. In the case of error in a telegram of which the sender has prepaid the repetition to the office of destination, or of delay, by the actual message form delivered to the addressee.
3. In the case of error in a telegram of which the receiver has paid the repetition from the office of origin, by the original message form delivered to the addressee, together with the form upon which the repeated telegram is written.

23. No claim for reimbursement for European telegrams will be entertained unless it is made within two months of the date of the original telegram; nor in the case of Extra-European telegrams, unless it is made within six months from the date of the original telegram. Limit of time for making claim.

Foreign administrations decline to make any inquiry into complaints which do not involve a return of the cost of the telegram within the limits of rule 21.

24. Telegrams can be sent from one place to another abroad by post. If the telegram be intended for delivery in the same country, no charge for postage is made, unless it is to be posted from one part to another of China or Japan, for which the charge is 1*s*. 6*d*. Mixed postal and telegraph service.

If it be intended for delivery in another country, the following charges for postage (which should be prepaid by means of telegraph stamps) are made:—

PRIVATE WIRES.

Private wires. 1. The Department undertakes to construct and afterwards maintain, upon the payment of an annual rental, at the rates specified in Tables A. and B., a line of private wire between the place of business or residence of a firm or private individual and a Postal Telegraph Office, or between two or more places of business or residence.

The advantage of having a private wire led into a Postal Telegraph Office is that the renter is placed in direct communication with the public wires to all parts of the kingdom or abroad, messages being received from and sent to the Postal Telegraph Office by wire instead of by hand. The renter has also the privilege of sending messages over his private wire to be forwarded from the Post Office as ordinary *letters*. *See c.* under heading D.—Regulations and Conditions.

Intercommunication. In any town where a sufficient number of wires are led into the Head Postal Telegraph Office, the Department is prepared to provide a means whereby any two wires may be joined together at will, in order that messages may be transmitted by one renter to another *direct* without the necessity for repetition at the Postal Telegraph Office.

Time signals. 2. The Department also undertakes to supply Greenwich mean time by electric current every hour in the day in London, and at either 10 or 1 o'clock to places in the country at the rates set forth in Table E.

Applications: how to be made. 3. All applications or communications in regard to private wires or time signals should be addressed to "The Secretary, General Post Office, London, E.C."

a. An Instrument in a Postal Telegraph Office elsewhere than in London.—For desk accommodation and clerk's services, the charge is 5*l.* 5*s.* per annum.

b. Delivery of Local Messages.—A charge of 3*d.* each is made upon messages sent over a private wire and intended to be delivered within a radius of one mile from the Post Office into which the private wire is led: beyond that boundary the ordinary rates for delivery are charged. Local messages *to the renter* are sent over the private wire free, and messages called for at the Post Office are also delivered free.

c. Messages to be forwarded as Letters.—These messages, if sent over a private wire to a Post Office before the hour for closing the ordinary letter box to the public, are subject to a fee of 1*d.* in addition to the charge for postage; and if sent after the closing of the ordinary box, but before the *late* box is closed, they are subject to a fee of 3*d.* in addition to the charge for postage.

d. Extension of an Existing Line.—If the extension increases the rental, the cost is borne by the Department; if not, it is borne by the renter.

e. Maintenance of Lines and Apparatus not the Property of the Department will be undertaken for any period of not less than one year; the annual charge is calculated at 1*l.* less, per mile, than the rates set forth above under "wire rental scale," and at reduced charges for apparatus (see Table B.), but the line and apparatus must be put into thorough order by the proprietor at his own expense before the Department will undertake to maintain them. The Department cannot allow the erection on its poles of a wire not belonging to it.

f. Agreement.—A simple form of agreement has been prepared, which every renter will be required to sign. This agreement, as a rule, will be for not less than three years, and will be determinable at three months' notice, given previous to the end of the fixed term; or failing such notice, on payment of such sum as the Department may agree to accept in lieu thereof; but where the expense of construction is considerable, the term must not be less than from five to seven years; the latter period being stipulated for when the proposed line will be in an outlying district, and will be specially provided for a single renter, and when it is not probable that there will be other renters.

g. Payment of Rental.—The rental is, in all cases, payable *yearly, in advance.*

h. Deposit Account.—A deposit, to cover charges for messages forwarded over the public wires, &c., is required in cases where a wire is led into a Post Office.

E.—Time Signals.*

The annual charges for the use of wires and apparatus are as follow:

Note (*a.*)—Apparatus for *receiving* the signal must in all cases be provided at the cost of the renter, and approved by the Engineer in Chief of the Department.
